

## Installation Instructions

### Billet Gas Door

**Part No. 75001, 75007, 85001, 85007- 2007-10 Jeep Wrangler 2dr and 4dr non-locking and locking gas door.**

#### Parts List:

- 1- Gas Door
- 2- Keys for locking version
- 4-#4 x 0.25" Self tapping SS Phillips flat head screws (4 Extra included)

#### Tools Needed

Phillips screwdriver

#### Installation:

- 1) Place gas door over filler opening so the door opens toward the front of vehicle. See fig. 1
- 2) Apply firm constant pressure to keep gas door against the side of the vehicle. Begin inserting the first screw (#4 x 0.25" Self tapping SS Phillips flat head screws) using the top hole of the door, then proceed in a clockwise manner to the next hole. See Fig 2. The screw will penetrate the plastic housing directly in the center of the ring. **DO NOT over tighten.**
