

10-80 VDC Hour Meter

Buyers Part Number: B40B45

Buyers Products Hour Meter provides reliable quartz measurement of your equipment operation running times.

- Maintain a proper schedule of equipment repairs.
- Stay on top of needed maintenance based on running times.
- Dirt, moisture, and tamper resistant casing.

Specifications

Depth	1.88"	Housing Material	Polymer
Maximum Reading	99999.9	Maximum Voltage Supply	80.0 VDC
Minimum Voltage Supply	10.0 VDC	Outer Diameter	2.75"
Power Consumption	Low	Shipping Weight	0.21 lb
