

Heavy Duty Control Cable For 5/16-24 Threaded Cable With 2 Inch Travel

Buyers Part Number: HDCL262

Buyers Products Heavy Duty Cable Control is designed to handle the biggest PTO and hoist applications and is an ideal replacement for solid rod installations.

- Designed to handle the largest PTO applications.
- Added mounting flexibility with a 4-position forged handle.
- Corrosion-resistant zinc-plated steel construction.
- Adjustable lever stop limits travel and prevents stress at the output end of the cable.
