

Tie Rod Style Cylinder Kit-Clevis Mount-0.75 Rod 8 Inch Stroke-with BAV020 Valve

Buyers Part Number: TGC25008VSPK

Buyers Products Tie Rod Cylinder Kit is ideal for dump truck operators to engage and disengage tailgate latches from inside the cab.

- Pillow valves give a smooth performance and prevent piston from hitting inner walls of the cylinder.
- Durable extruded aluminum body can be used on variety of tailgate applications.
- Offered in a variety of sizes, cylinders have a clevis style mount.
