By Max Sigwart

 **Tools Needed:**  
-NO TOOLS NEEDED

 **Installation Time:**  
15-20 Minutes

New for your 2016-2018 Focus RS by California Pony Cars/// NXT Generation, Rear Bumper Fin Canards. This set of Rear Bumper Fin Canards was developed to add a nice stylish flair to the rear of your Focus RS and will give your car a very dynamic look. These are molded to conform to your factory bumper while emphasizing the sporty details that the factory Focus RS bumper is known for. These stylish Fin Canards are made of high-quality material and are finished in a UV-stable "OEM" Trim black paint making this set ready to be installed and drive.

Note: These Fin Canards can also be easily painted to match and requires NO drilling or cutting for installation.

Features:  
Unique to Focus RS models only  
Race inspired look  
Easy 20-minute install  
Custom molded and ready to install out of the box  
Made in the USA  
Dramatic style added in just minutes
