the "Ultimate" Dog Bed.

Canine Covers - help keep your  
dog safe & comfortable while  
protecting your vehicle's interior

PROTECTION FOR YOUR VEHICLE...COMFORT FOR YOUR DOG

## Custom Seat Protectors

**The ultimate in rear seat protection and canine comfort.**

- Custom tailored for a perfect fit (patterns also available for split seats).
- Choose from polycotton drill, polyester or polyester suede fabrics, all with durable water-repellent finishes.
- Fabric "breathes" to assure travel comfort.
- Fabrics provide a positive footing surface.
- Quilted padded seatbase for additional canine comfort.
- Nylon liner for added protection of covered seat.
- Non-slip liner inserts used on seatbase help hold Protector in place.
- Precision tailored openings for seat / shoulder belts.
- Security "pods" and headrest straps (if applicable) anchor Protector in place.
- Easy care – machine washable.
- Choose from sixteen (16) interior-complementing colors.

## **Custom CoverAll™ option**

**For use with Custom Rear Seat Protectors ONLY.**

- Secures to skirt on Custom Rear Seat Protector with hook & loop fastener (included).
- Protects rear floor area and back of front seats / console.
- Custom patterned to contour to floor and shape of front seatbacks.
- Easy to install (matching hook & loop is already sewn in bottom skirt of Custom Rear Seat Protector).
- Constructed of the same durable fabrics as the Custom Protectors.
- Easy care – machine washable.
- Choose from sixteen (16) colors.

## Installation as easy as 1, 2, 3

- 1** Position the cover on the seatbase and tuck in the security pillows.

- 2** Pull the seat belts through the appropriate opening(s); then close and secure.

- 3** Connect hook & loop fastener straps behind headrest and seatback (depending on design).

## Features

◀ Hook & loop closures allow for split seats on Custom Protectors.

▶ Non-slip grip liner on seatbase holds Protector in place.

▶ Security "pillows" help anchor Protector in place.

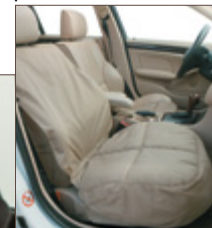

◀ Hook & loop openings for seat belts (both custom & universal).

## For Bucket Seats For dogs who travel "up front" and SUV's with rear buckets.

- Fits most bucket seats up to 24" seatback height / 23" seatback width / 20" seatbase cushion depth & 21" width ("Skirt" base is 7" high and not a critical measurement, but it does help keep the base in place).

**NOTE - Do not install if straps interfere with side-impact airbag deployment panels or openings!**

- Same fabrics and construction as Custom Rear Seat Protectors.
- Installation straps wrap around seat and have adjustable hook & loop closures.
- Webbing strap for headrest area is adjustable and has easy-to-use side-release buckle.
- Generous hook & loop flap opening accommodates most seat belts.
- Security "pods" and adjustable headrest straps help hold the Protector in place.
- Easy care - machine washable.
- Choose from sixteen (16) interior-complementing colors.

## Semi-Custom Rear Seat Protectors

**Protection for multiple vehicle use, or if custom fit is not desired.**

- Sturdy polycotton drill fabric with durable water-repellent finish.
- Fabric "breathes" to assure travel comfort.
- Drill weave provides a positive footing surface.
- Quilted, padded seatbase for additional canine comfort.
- Adjustable headrest straps and security "pods" help hold Protector in place.
- Generous hook & loop flap opening accommodates most seat belts.
- Works with some shoulder belts (must be at extreme edges of seatback).
- Nylon liner for added protection of covered seat.
- Non-slip patch addition to seatbase liner helps hold Protector in place.
- Easy care – machine washable.
- Choose from eleven (11) interior-complementing colors.

## Econo-Plus Rear Seat Protectors

**Good basic protection.**

- Polycotton drill fabric with durable water-repellent finish.
- Nylon liner for added protection of covered seat.
- Non-slip patch addition to seatbase liner helps hold Protector in place.
- Provides good basic protection with a durable, breathable fabric.
- Elastic headrest straps fit a variety of vehicles.
- Universal hook & loop seat belt opening.
- Easy care – machine washable.
- Six sizes fit most cars and SUV's.
- Choose from seven (7) interior-complementing colors.

## Econo Rear Seat Protectors

**Seat protection at a budget price.**

- Durable coated polyester fabric.
- Provides good basic protection.
- Elastic headrest straps fit a variety of vehicles.
- Universal hook & loop seat belt opening.
- Non-slip seatbase patch helps hold Protector in place.
- Easy care, machine washable.
- Six sizes fit most cars and SUV's.
- Choose from four (4) colors. Tan, Black, Gray or Taupe

## Door Shield

**Protect inside door panels from scuffs and dirt.**

- Available in 22" or 26" widths.
- Durable coated polyester fabric helps protect door panels.
- Easy to install - retention tabs slide between window glass and door panel.
- Easy care - machine washable.
- Choose from four (4) colors. Tan, Black, Gray or Taupe

## Cargo Area Travel Liners

Ultimate comfort for the lucky canine with an SUV or wagon owner.

- Custom tailored for a perfect fit (patterns also available for split seats).
- Sturdy polycotton drill, polyester or polyester suede fabrics with durable water repellent finish.
- Fabric "breathes" to assure travel comfort.
- Fabric provides a positive footing surface.
- Quilted padded finish on floor section for additional canine comfort.
- Nylon liner for added protection of vehicle floor area.
- Precision tailored, secures to seatbacks at front.
- Security straps and "pods" (if applicable) anchor bed liner in place.
- Easy care – machine washable (commercial machine).
- Choose from sixteen (16) interior-complementing colors.

## Rear Seat Hammock/Sling

A quick and easy cover to help keep the vehicle's interior cleaner.

- Easy to use • Straps around headrest or headrest post.
- Adjustable straps fit most car, pickup, SUV and van second row seats (bench-type second row).
- Durable urethane-coated woven polyester fabric.
- Brush clean or hose off if soiled (can also be machine washed and hung to dry).
- Waterproof fabric.
- Choose from four (4) interior-complementing colors - Tan, Black, Gray or Taupe.

## Sofa Saver Protection for the sofa in your RV, trailer or even your home.

The SofaSaver is easy to install and remove and helps protect your sofa from pet hair, dirt and "accidents". For good looks, comfort and durability, we use a polycotton drill fabric with DWR (durable water repellency) finish.

- For sofas that measure 60 or 70 inches BETWEEN the armrests. Three sizes available – 60 or 70 inch with standard 18" seatbase depth, or 62 inch with 27" extra deep seat depth (also has longer armrest flaps and seatback cover).
- The back of the SofaSaver is covered with a waterproof nylon barrier.
- A special anti-slip grip surface is added to the backside of the seatbase, armrest and along the top of the backrest.
- Flaps with foam insert "anchors" get pushed between the seatback and seatbase.
- An adjustable strap goes around the seatback.
- For RV use, there are universal hook & loop seat belt openings.
- Vacuum or brush to clean; if soiled, throw in home washer/dryer.
- Choose from seven (7) interior-complementing colors.

## The "Ultimate" Dog Bed

Our premium canine beds are used at leading hotels that cater to their four-legged guests and want to assure their comfort, but require a bed designed for durability and easy cleaning.

4  
Sizes

X-LARGE  
60"W x 36"D

LARGE  
48"W x 30"D

Choose from seventeen (16) colors and four (4) sizes

- Easily fits in the back of an SUV or wagon.
- Strong polycotton drill, polyester or polyester suede fabrics with durable water-repellent finish.
- Fabric "breathes" to assure comfort any time of year.
- Padded bolsters and floor pad use sheet-style batting to provide five-star canine comfort.
- High-loft padding is encapsulated inside waterproof nylon pouches.
- Twin zippers allow easy removal of padding from both sections.
- Base padding is "egg-crate" foam and sheet-style batting that won't bunch up and turn "lumpy".
- Easy care – machine washable.

## The "Ultimate" Dog Bed

MEDIUM  
35"W x 25"D

SMALL  
24"W x 20"D

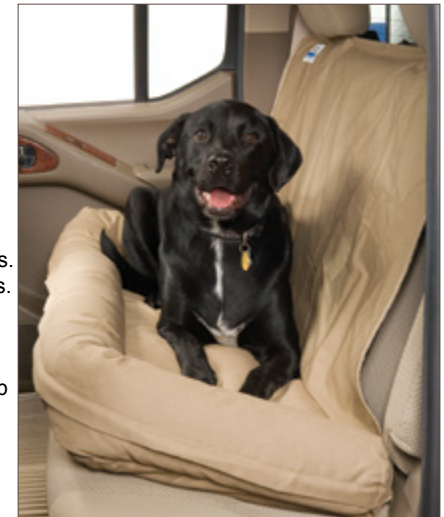

"Egg-crate" foam and sheet-style batting

## Back Seat Dog Bed

Dual-purpose comfort for travel or home use.

This won't protect all of your back seat like one of our seat protectors, but it sure will provide comfort for your traveling canine! One of those "why didn't I think of that" ideas that your dog will love. A real bed with padding and a full perimeter bolster. Fits most cars, SUV's and pickups.

- Measures - 46" X 19".
- Same durable construction as our "Ultimate" dog beds.
- Non-slip grip bottom PLUS anchor loops for seat belts.
- Bolster and pad are easy to remove when cover needs washing.
- Bolster and pad feature waterproof nylon covers.
- Extended flap on bolster zipper cover has hook & loop security tab.
- Easy to install and remove from vehicle.
- Choose from seven (7) interior-complementing colors.

## Travel Buckle-Up Designed for comfort in or out of the car.

Optional Anchor Strap

Dual purpose comfort for travel or home use

- Adjustable leash - 16" to 24½" in length.
- Metal clip snaps into D-ring on Travel Buckle-Up restraint.
- Secures to child safety seat anchor point with ISO-LATCH clip (found on most current vehicles).
- Chest panel spreads tension over the chest instead of around the neck.
- Four web buckles provide maximum adjustment for comfort.
- Side release buckles assure easy-on/easy-off.
- Metal D-ring on back for attaching walking harness.
- Short web-leash built into back panel for use at "pit stops".
- Slide seat belt through webbing to secure, or use optional anchor strap.
- Choose from 8 colors. Available in either coated polyester or Crypton® microfiber.
- Hand wash, hang to dry.

## Canine Travel Seatback Barrier

Universal-fit barrier helps keep your canine in the backseat area, which is the safer way to travel for both you and your pet. Dogs traveling in the front seat area can be injured by airbags and even ejected through the front windshield in an accident!

- Mesh barrier is 30" tall x 18" wide. Adjustable straps work with adjustable or built-in headrest.
- Adjustable webbing straps secure around headrest and seatbases.
- Mesh construction for both air circulation and visibility.
- Easy to remove and fold for storage.
- Handy storage pocket for leash, treats, etc.
- Fits most cars, SUV's, vans with two front bucket seats.
- Clean with a soap solution, rinse and hang to dry.
- Made in USA.

**Canine Covers** provide a comfortable way for "man's best friend" to travel, while helping to protect vehicle seating surfaces, floor, seatbacks and cargo area from pet hair, scuffing and "accidents". Canine Covers are the ultimate seat protectors for people who travel with dogs and want to maintain the interior appearance of their vehicle.

The original Canine Cover was developed in 1998 and the program now includes both custom and universal-type seat protectors, cargo area protectors and a plush, easy-to-clean dog bed, for home use or travel.
