

Vehicle Cleaning Innovation Leader

Hopkins® has become the cleaning solutions leader through its understanding and insight into core consumer needs.

The guiding development principle is centered on innovation and bringing over 30 years of cleaning solutions to the marketplace. We deliver on this promise by understanding the consumer's need for innovation, design, functionality and quality. This understanding is partnered with an emphasis and commitment to quality assurance.

Our long-term success has marked us as the industry leader in the vehicle cleaning solutions category. These core ideas have laid the foundation for our growth and we are continually adding to this extensive list of innovations.

We are changing the way cleaning tools are used by understanding the consumers need for innovation, design, functionality & quality, while creating break-through ideas to build value for every one of our customers.

- Carrand™ is the everyday vehicle cleaning leader.
- Most complete product range, offering solutions across every category segment.

- AutoSpa™ is the premium accessory market leader.
- Complements all premium chemicals, and brings innovations that elevate the cleaning experience.

YOUR RIDE'S WORTH IT™

- Surf City Garage® is the fastest growing and a highly recognized premium chemical brand.
- Quality and value instantly connects with high end & specialty customers.

30 Years Redefining the Category:

1982

The Carrand brand is established as a one-stop resource for automotive cleaning accessories

1985

Developed a full line of professional and plastic brushes for auto aftermarket and distributor channels

1989

Final Touch™ program is launched adding new style and solutions to the cleaning category

1996

First to market with water control with swivel hose connection and a soap-mixing spray nozzle

1st Decade

1984

Introduced first comprehensive brush line for automotive retail

1985

Development of full line of flow-thru, dip wash, and extension handle brushes

1992

Introduced industry exclusive extension pole locking system

**INTERIOR
JOB**

Superior category management drives growth by connecting Cleaning Tools and Soft Goods, with the complementary chemical segment creating comprehensive and uniform retail messaging that makes the buying experience faster, and more satisfying.

2002

Design award received for patented 2-in-1 Wash Glove

2006

A full line of soft good products for washing, drying, & detailing is launched in the Carrand brand

2008

No-Spin locking head feature is introduced as the standard on all long pole items at retail

2012

Three decades of industry leadership & innovation assure our position as the cleaning category leader.

2nd Decade

3rd Decade

1999

Grip-Tech™ is introduced as the step up ergonomic wash brush program

2005
Brush head innovations of Quad-Head and Soap-Mixing brush head are introduced

2007

The Gripper™ no mess applicator handle is introduced and boosts profits wherever it is placed

2009

Auto-Spa™ is launched as a premium category for soft goods, tools, and powered car care accessories

No Bucket?... No Problem!

Suds-N-Go™

Building on the growing trend of soap-infused cleaning, the Suds-N-Go Bucketless Car Wash System cleans passenger and family vehicles with just one fill up. Using our patented built-in on/off soap control to wash and rinse; the Suds-N-Go system takes long pole brush innovation into the 21st Century.

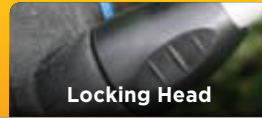

Hopkins® is the market leader in the ever-growing long pole wash category. Our patented designs have innovative features that cannot be found on any competitor's product. Thirty years of car care experience in packaging brush fibers, spray patterns, and pole configurations give customers virtually unlimited choices for their car care needs.

EVERYDAY VEHICLE CLEANING

BLAST AWAY Dirt, Grime & Debris

Combining soap mixing technology and a high pressure jet spray, the Wash-Jet™ makes quick work of the dirtiest cleaning tasks on your car, truck, SUV or recreational vehicle.

The integrated 3 ounce soap mix chamber delivers onboard mixing of your choice of carwash soap, degreaser or detergent. Soap-mixing can be turned off at anytime using the mix on/off control knob, allowing for clean water rinsing.

You can also choose to add the pivoting microfiber wash pad or three-pattern spray tip adapter to add to the versatility of the wand.

Luxury Car Care for The Enthusiast In All Of Us

Made for automotive enthusiasts who want nothing but the best when caring for their vehicles, AutoSpa™ Luxury Car Care Accessories prolong that “fresh from the showroom” feel through superior design, quality, and value.

Through the years automotive materials and finishes have changed. Consumers are increasingly aware and wary of what they apply to their vehicles and how they take care of them.

AutoSpa Luxury Microfiber MAX materials take car washing to a whole new level of finish. Industry firsts include: luxury coral fleece, premium polyester mesh, and no-snag satin edging to deliver a premium look from the shelf and superior performance for the end user.

Whatever your car care task – washing, drying, polishing, or detailing – nothing says you’re in good hands like AutoSpa.
