

Installation Instructions

T-Connector

DRAW-TITE®

TOOLS REQUIRED:

Philips Head Screwdriver, Drill (3/32" Drill Bit)

1. Underneath the vehicle, on the passenger's side, between the bumper and rear tire, locate the vehicle Tow-Plug harness **A**. It will have a connection point matching the T-Connector harness. Remove protective cap, being careful not to break the locking tabs. All connector surfaces should be clean and free of dirt.
2. Insert the T-Connector harness into the vehicle's Tow-Plug harness and lock into place. Be careful not to damage the locking tabs and be sure that connectors are fully inserted with locking tabs in place.
3. Route the T-Connector harness rearward to the back of the fascia of the bumper. Route the T-Connector harness along the inside of bumper toward the center of vehicle **B**.

⚠ WARNING

Route the wire being careful to avoid any hot pipes, heat shields, the fuel tank or any other points that may pinch or break the wire.

4. Locate a suitable grounding point near the connector such as the vehicle's frame or cross member. (Do not drill into vehicle floor or bed.) Clean dirt and rustproofing from area. Drill a 3/32" hole and secure **white** wire using eyelet and screw provided.

⚠ CAUTION

Verify what is behind any surface prior to drilling to avoid damage to the vehicle and/or personal injury. Do not drill into any exposed surfaces.

5. Mount the T-Connector black box using double-sided tape provided. Secure the remainder of the T-Connector harness with the cable ties provided, to prevent damage or rattling and being careful to avoid any areas that would pinch, cut or melt the wire.

⚠ WARNING

All connections must be complete for the T-Connector to function properly. Test and verify installation with a test light or trailer once installed.

⚠ WARNING

Overloading circuit can cause fires.

DO NOT exceed lower of towing manufacturer rating or:

- Max. stop/turn light: 1 per side (2.1 amps)
- Max. tail lights: (5 amps)

Read vehicle's owners manual & instruction sheet for additional information.
