

# Installation Instructions

## T-Connector

### TOOLS REQUIRED:

Trim Panel Remover, Ratchet, 10mm socket or Wrench

1. Open the vehicle's rear tailgate. On the driver's side, remove access door on the trim panel, then open rear cargo door. Remove threshold, jack storage door and pull back black cargo liner. Set aside all items removed being careful not to damage parts. Locate vehicle's grey electric junction box **A**.
2. Starting from the cargo area, route the white T-Connector end up and behind the trim panel to the junction box area. Plug the white T-Connector end into the mating connection in the electric junction box **B**.
3. On the driver's side, underneath the trim panel area between the cargo area and the junction box, clean a flat area using a mixture of rubbing alcohol and water. Mount the T-Connector black box using double-sided tape provided **C**.
4. Route the **white** wire with eyelet towards the center of vehicle near the threshold area. Locate the existing ground stud **D**. Using a 10mm socket or wrench remove the bolt and place the **white** wire with eyelet around the bolt and re-tighten.

### ⚠ WARNING

Make sure all other ground connections are secure when removing and reattaching the ground stud.

5. Route 4-Flat over to jack storage area. Replace the black cargo liner and store 4-Flat wire in jack compartment when not in use **E**.

### ⚠ WARNING

All connections must be complete for the T-Connector to function properly. Test and verify installation with a test light or trailer once installed. For initial test, reset vehicle electrical system by temporarily removing the key from the ignition.

6. Reinstall jack storage door, access door, threshold, rear cargo door and other items removed during installation, being careful not to pinch or cut the wires.

### 🔥 ⚠ WARNING

Overloading circuit can cause fires.

DO NOT exceed lower of towing manufacturer rating or:

- Max. stop/turn light: 1 per side (2.1 amps)
- Max. tail lights: (4.2 amps)

Read vehicle's owners manual & instruction sheet for additional information.
