

## Luxurious Leather Scent

There's nothing quite like the smooth feel and luxurious scent of fresh leather. Whether you're enjoying the clean interior of your luxury car, the smooth touch of fine apparel, or the beautiful look of fashionable accessories, you're sure to enjoy the scent of freshly-tanned fine leather. Chemical Guys synthesized Leather Scent Premium Air Freshener & Odor Eliminator to recreate the scent of leather and remove foul odors from any enclosed space. Mist Leather Scent inside the car to restore a fresh leather scent around seats and upholstery, spray it around the house to fill the room with the scent of brand new leather furniture, or remove stale cigar smells from the man cave or gentleman's clubs and accentuate the smell of the fine leather easy chairs. No perfume lasts forever, so Chemical Guys blended in odor-eliminating enzymes that seek out and destroy odor-causing maladies. Purge musty mildew and stale French fry odors from air conditioning ducts to restore fresh air inside the cabin of any automobile as part of your odor elimination service on your next interior detail job. The possibilities are endless, and the enjoyment infinite when you mist a few sprays of Leather Scent Premium Air Freshener & Odor Eliminator in any enclosed space.

## What Does It Smell Like?

The scent of leather means different things to different people. What comes to mind when you breathe in the musk of fine leather? Maybe it's a form-fitting motorcycle jacket, a well-worn guitar strap, or your favorite pair of boots. Some people recount the joy of purchasing their expensive designer handbag or fine leather wallet when they catch the scent of fine leather, others relive warm reminiscences relaxing with friends in plush leather easy chairs. Whatever your fancy, you can relive those great moments with Chemical Guys Leather Scent. Mist a few sprays around the home, office, car, gentleman's club, and any other enclosed space that can use the smooth, sophisticated scent of fine leather. And even after the refined leather perfumes dissipate into the ether, Chemical Guys odor-eliminating enzymes ensure that any foul smells are purged from the space so that the area smells like... nothing.

## More About Leather Scent Premium Air Freshener & Odor Eliminator

Fragrances have served many purposes historically, from masking unpleasant odors to encouraging attention from members of the opposite sex. One of the greatest uses, however, is that of aromatherapy, or effectively improving the state of mind and body. Leather delivers a unique, yet subtle scent that improves the smell of any environment by providing the familiar scent of brand new leather.

### How To Use:

- Clean and vacuum any debris and old food or stains that may be imparting foul smells into the automobile interior.
- Shake well.
- Lightly mist Leather Scent around carpets, cloth upholstery, and under seats.
- For AC flushing service: set AC to max cold and recirculate, then mist a few sprays of Leather Scent underneath the recirculation intake under the dashboard on the passenger side.
- Enjoy fresh scent.
