## What Does It Smell Like?

There's a reason people have always finished the sweetest treats with a cherry on top. What good is a sundae, banana split, milkshake, or fancy cocktail without the cherry? Chemical Guys Fresh Cherry Blast Air Freshener is the perfect choice for fans of delicious cherries. Real cherries taste tart and sweet when plucked fresh from the tree, they ooze with sugary sweetness when baked into a pie, and the black cherries blended into ice cream take the edge off a hot summer day with their velvety smoothness. Neon red maraschino cherries shake up cocktails like a fun prize at the bottom of the glass, and warm cherry pastries hit the spot with savory sweet goodness. What does the inside of your car smell like now? Probably like stale french fries and musty carpets. Don't put up with old odors and scents any longer: spritz some Fresh Cherry Blast Air Freshener & Odor Eliminator around the cabin, and purge foul odors with the scent of cherries fresh-picked at the country orchard.

## Natural Enzymatic Odor Eliminator

Cheap cherry air fresheners end up smelling like cough medicine or bad candy. Low quality air fresheners mask odors with overpowering perfumes that give you headaches. Chemical Guys Fresh Cherry Blast Air Freshener & Odor Eliminator is brewed with real cherry extracts and refined oils straight out from the fruit. A few mists of Cherry Blast is the closest thing to having bushels of fresh-picked cherries in your space. And rather than overpower foul odors with even stronger scents, Chemical Guys blended Fresh Cherry Blast with natural odor-eliminating enzymes. These compounds actively destroy odor-causing elements, removing odors and foul smells at their very source. The water-based formula is gentle for use in any space, and will not stain fabrics or promote germ growth on the surface. A few sprays of Fresh Cherry Blast removes foul odors and helps prevent new ones from taking their place. Smell the way Fresh Cherry Blast Air Freshener & Odor Eliminator is enriched with fruity overtones, and enjoy a delicious fresh scent that lasts weeks, not days.
