

What Does It Smell Like?

Enjoy the mouth-watering scent of pink bubble gum without the sticky mess with the Chemical Guys Chuy Bubble Gum Hanging Air Freshener. Chemical Guys Hanging Air Fresheners put fun fragrant smells wherever they're needed most! Hang the round disc from rear view mirrors, shift selectors, turn signals, air vents, radio knobs, or grab handles for convenient and discreet scenting throughout any automobile. Chemical Guys is renowned for making fun, powerful, and fragrant air fresheners and odor eliminators. The Hanging Air Freshener is perfect for those who want long-lasting time-released fragrance in any enclosed space. Freshen the air in any car, truck, SUV, minivan, dorm room, office, garage, or game room anywhere! Chuy Bubble Gum is more than a fragrant air freshener; specialty odor-eliminating enzymes blended in with Chuy help to stop odors at their source. Don't just cover up foul smells: eliminate odors with the fresh bubble gum scent of Chuy Hanging Air Freshener.

The Sweet Scent Of Indulgence!

Chuy Bubble Gum Scent Air Freshener & Odor Eliminator captures all things delicious and fun! As a kid, was there anything better than opening up a piece of gum, chewing it up, and blowing the biggest bubble you could? Did you ride your bike to the corner store to pick up your favorite pack of gum, or did you buy it from the ice cream man? Whether you were a fan of Bazooka®, Dubble Bubble®, Bubblicious®, HubbaBubba®, or Big League Chew®, Chuy Bubble Gum Scent will take you back to the best parts of your childhood. Indulge your sweet tooth with Chemical Guys Chuy Bubble Gum Scent Hanging Air Freshener!

Accessorize The Bold Detailing Lifestyle

The car enthusiast and detailing life is about fun, passion, and pride. Whether you're rolling in a classic cruiser, drift missile, lead sled, hot rod, plush limousine, euro tuner, or off-road scrambler, keeping it clean and fresh is a point of pride and labor of love. The Chuy Bubble Gum Hanging Air Freshener is one of the finishing touch accessories that shows total care and commitment to any car detail. Detailers only worry about air fresheners once all the major cleaning and conditioning work is done, so a refreshed car is totally cared for from beginning to end. The bold Chemical Guys crest is printed on every hanging air freshener roundel, and shows any passersby that the owner of the car uses only the finest products with the utmost attention to detail. The whole world knows Chemical Guys stands for innovation, quality, and professional results, so showing off the Hanging Air Freshener proves that the driver has good taste and means business.

Extreme Happiness Warning

This bottled scent may cause flashbacks to your early childhood: Blowing the biggest bubble you could seemed like a good idea at the time... until it popped all over your face and hair! Vivid memories of romps through the park, ball games, skating down the avenue, and sneaking into movies may distract you from day-to-day activities, and make you a less productive member of society. User discretion advised.
