

Instructions: *Universal Fit Spare Tire Cover*

⚠ WARNING!

When transporting in an open vehicle be sure cover is secure—the cover could blow off and cause injury to others.

⚠ CAUTION!

Failure to secure the cover when transporting in an open vehicle can cause damage to your cover or vehicle.

Installation

1. Cover or tape any sharp edges on the tire that could wear against your cover.
2. Slip your cover over the top of your tire. Adjust cover over wheel then hook ends together to secure.

Use and Storage

Never store a wet cover in a confined area as the cover can be damaged by mildew.

Care

Spot clean with water, a mild soap and a sponge. Don't use abrasive cleaners or brushes.
