

When you're looking to improve on an already fantastic automobile, it's important to make the most of each component. Give your inner deck lid the finishing touch by covering up the acres of exposed metal with a functional piece that also makes for a much cleaner look. The Mustang Detail Corral comes equipped with three closeable pockets which are perfect for holding and organizing many different items.

- Installation is a breeze, some basic hand tools, a couple minutes and your *Detail Corral* is saddled and ready to serve.
