

INTRODUCING THE PRO-SET® PREMIUM SERIES VACUUM PUMPS

cps®

INNOVATIONS IN DESIGN™

PERFORMANCE DOESN'T RUN DEEPER THAN THIS.

There are good pumps better pumps and Pro-Set Premium Pumps. The best pumps on the market run the deepest. And now with innovative changes in vacuum cartridge design, materials, lubrication and cooling, Pro-Set Premium pumps are able to achieve incredibly deep vacuum performance ratings.

- Lowest micron ratings in the industry
- Ultimate vacuum rating of 10 microns or less
- No frills, rugged and reliable
- Exclusive built-in oil-mist prevention
- Best performance to weight ratio in the industry
- Dual voltage versatility
- 2 year warranty

INTRODUCING THE PRO-SET® COMPACT SERIES VACUUM PUMPS

cps®

INNOVATIONS IN DESIGN™

LIGHTWEIGHT DESIGN. HEAVYWEIGHT PERFORMANCE.

Like the Premium series, the Compact series has been totally redesigned for 2012, providing superior performance in an ultra compact size. Pound for pound, they're in a class all their own, providing a lightweight solution for your heavyweight needs.

- 9 – 12 lbs., depending on model
- 1 year warranty
- 15 micron vacuum rating for 2CFM dual stage model
- 100 micron vacuum rating for 2 and 4CFM single stage models
