

New Item

LED Headlamp Kit

Part # **RT28039**

Made in the USA

Installs in place of OEM headlamps

No Cutting or Splicing Necessary

Equip your vehicle with a LED Headlamp Kit by . Each lamp is constructed of an aluminum body. The 15 Nichia LED's in each lamp produce 6000 lumens at only 45 watts, resulting in an impressive amount of light without the need to upgrade the charging system of the vehicle. Matte black anodization, an IP86 rating, and a 50,000 hour LED bulb life means that these lamps are designed to last, even in the harshest conditions. Every aspect of product design, manufacturing, and assembling takes place in the USA. Included is a pair of LED Headlamps designed to replace OEM Headlamps. No cutting or splicing is necessary.
