

SOLAR POWER FOR YOUR CS FREE SO YOU CAN USE IT ANYWHERE YOU GO

The SOLAR PANEL CHARGE KIT lets you recharge your CS FREE's internal battery using just solar power. You can also use it to power the CS FREE without connecting to a power outlet, so you can charge and maintain your vehicle battery wherever you are.

The SOLAR PANEL CHARGE KIT pairs perfectly with the CS FREE. It delivers fast, reliable solar power so you can recharge or even independently power your CS FREE wherever you take it.

Made from super tough fibreglass, you simply unfold it and connect it to your CS FREE in seconds, giving you the ultimate freedom from mains power. Charge and maintain your vehicle battery or charge up portable tech like smart phones, pads and laptops, even when you're nowhere near a power outlet.

The SOLAR PANEL CHARGE KIT features intelligent and efficient silicon cells with a specially developed safety box so the kit delivers exactly the right amount of power to protect your battery and devices from excess voltage.

Waterproof, weather resistant and durable, the SOLAR PANEL CHARGE KIT is the perfect outdoors partner for the CS FREE.
