

CURT™

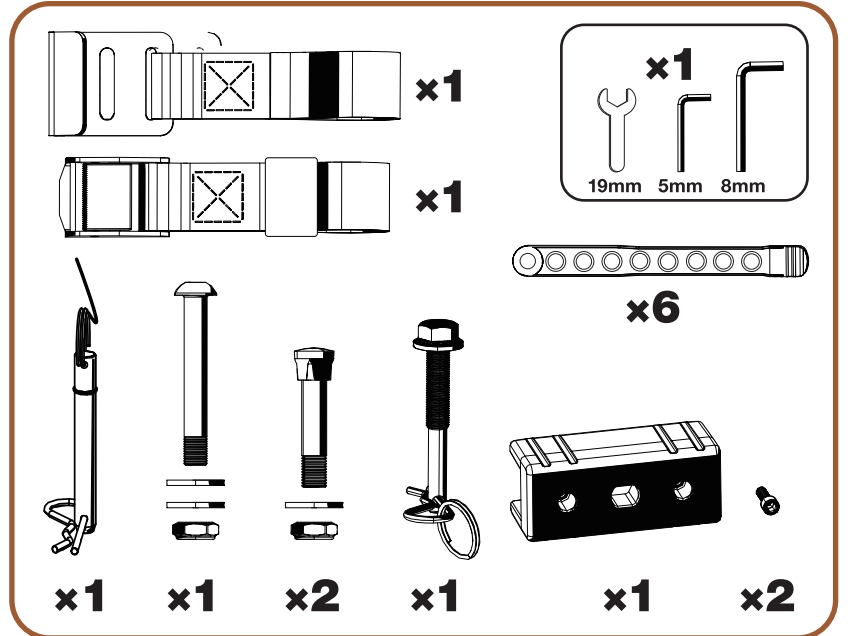

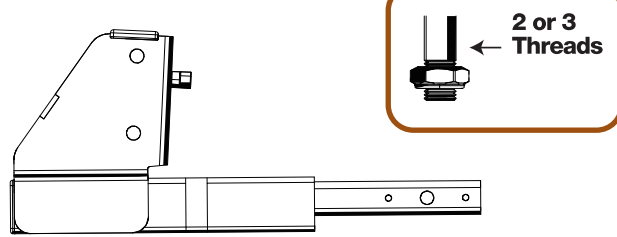

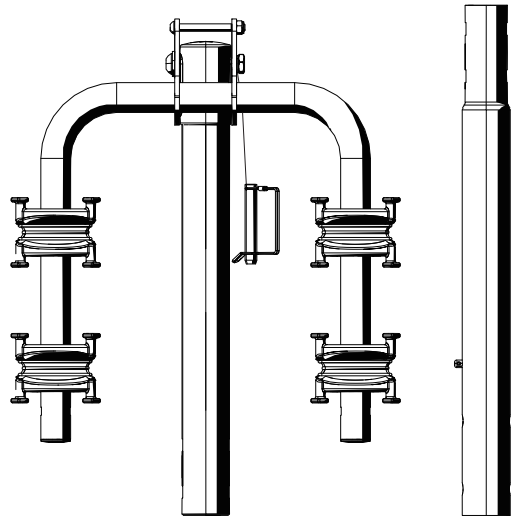

The **FIRST** Name
in Towing Products™

INSTRUCTIONS

BIKE RACK

Model: (18029)

WARNINGS / LIMITATIONS

Not intended for off-road use.
Not intended for tandems or recumbents.
Your vehicle must be equipped with a 2" or 1 1/4" receiver hitch.
Do not install on a trailer or other towed vehicle.
Check straps for wear and replace if worn.
Check tightness of all bolts and knobs periodically.
Failure to use included strap(s) on trailer hitches with 1 1/4" receiver tubes may void both the trailer hitch and bike rack warranties.
