JP GROUP PRODUCT INFORMATION

JP GROUP PRODUCT INFORMATION

We carry more than 18.000 quality spare parts, exhausts and accessories for European and Asian vehicles in the JP Group Line programme. The programme contains 12 product groups. You will find a lot of useful information, not about these product groups only, but also about focus product groups with their advantages, covering the European car park, warranties, number of part numbers and much more...

You will find an overview of the sub product groups covering all European and Asian vehicles as well as the ones covering German vehicles with focus on VAG.

A collection of various automotive parts and components, including a steering rack, suspension arms, coil springs, shock absorbers, brake discs, pads, calipers, a fan, a belt, pulleys, a water pump, an alternator, a filter, and boxes of IP Group AS parts.

***Quality spare parts, exhausts and accessories for
European and Asian vehicles.***

COOLING

| WATER PUMPS

More than 400 part numbers for European and Asian vehicles.

Covering 85% of the European market.

Product group: No. 1260

- **More than 400 part numbers for European and Asian vehicles**
- **Covering 85% of the European market**
- **2 year warranty**
- **All components are manufactured in factories with OE specifications**
- **All parts are available in TecDoc, TecCom, and easy ordering via webshop**
- **Each component is quality approved at every stage of manufacturing and is only allowed to continue upon approval**
- **Cross to main competitors**
- **Competitive prices**
- **Every pump is individually leak tested with air**
- **Re-inforced packaging to give protection during shipment**

COOLING

| THERMOSTATS

More than 75 part numbers for European and Asian vehicles.

Covering 50% of the European market.

Product group: No. 316

- **More than 75 part numbers for European and Asian vehicles**
- **Covering 50% of the European market**
- **Gaskets are always included with the thermostats**
- **2 year warranty**
- **All components are manufactured in factories with OE specifications**
- **All parts are available in TecDoc, TecCom, and easy ordering via webshop**
- **Each component is quality approved at every stage of manufacturing and is only allowed to continue upon approval**
- **Cross to main competitors**
- **Competitive prices**
