K-SERIES BUMPERS

Note: Not designed for use with proximity sensors or laser speed control sensors, etc.

Dee Zee is known for building durable, functional and stylish products for today's trucks. Now they have partnered with Kelderman Manufacturing, a well-known name in the off-road industry, to design and manufacture their first off-road bumper. The Dee Zee by Kelderman Bumpers are the ultimate line of defense for your off-road truck's front end - like armor for your truck.

Designed by:

- Integrated steps on either side of the rear bumper provide easy bed access.

- One-piece construction from heavy duty steel for serious strength.

- Available in black only. Customise paint to match body after purchase.

- Subtle style offers a discreet, yet aggressive look.

- Bumpers are finished with Dee Zee's exclusive 2-stage finishing process where they are e-coated and then powder-coated textured black featuring NRT™ to inhibit corrosion
- Winch plate with 1" thick shackle mounts available for Heavy Duty models (up to 16,500 lb. winch)
- Custom crafted for your specific year, make, and model

- Hassle-free installation - no drilling, welding, or cutting
- Limited lifetime warranty on manufacturing, 1-year warranty on black powder coat finish
- Proudly made in the U.S.A
- Cutouts provided on each side for standardized LED lighting sizes plus a center opening for up to 20" light bar (lights not included)

FINISHES

Vented caps add 3.5" to overall height. Mounting tabs and drain plugs also alter dimensions slightly. For private use only. Not for commercial applications of interstate commerce. Always check local rules and regulations before altering your OEM fuel system. Not for use with gasoline.

Center weighted pumps are highly recommended. Off center pumps must be supported with brackets to ensure tank warranty.

Just a few years ago, we were thinking of how to ship a Dee Zee running board or tool box overseas. Now, Dee Zee is able to do it all with profession, understanding, and compliance to U.S. and International laws. In addition to our full size truck products, Dee Zee offers a line of products that is suitable for the global market. Don't be surprised to see Dee Zee products on a Hilux or Ranger, or any other midsize truck. Whether you are in the Middle East, Africa, Europe, Australia or any other part of the globe, Dee Zee has accessories for your truck or SUV.
