

DPAM NO. LA990009-2675

MODEL Compressor

DENSO PRODUCTS AND SERVICES AMERICAS, INC.
TECHNICAL SERVICE DEPT.

SERVICE INFORMATION

TITLE: [Compressor](#) Appearance

CONDITION: The compressor in this box may vary in appearance from the unit on your vehicle because of two different clutch designs. This unit is designed to fit, function and perform in the specified application.

PROCEDURE: For compressor removal and installation procedures, please refer to the DENSO installation instructions.
