

# DORMAN HANDLES AND CRANKS

## GET A HANDLE ON DOOR AND TAILGATE REPAIRS.

It's easy to get a grip on handle and crank repairs when you choose the aftermarket leader. Why? Because we have thousands of direct replacements for millions of vehicles readily available, as well as improved designs that increase future durability.

Whether you need to replace a door handle, liftgate component, or window crank, look no further than Dorman for superior engineering, instant part availability, and the aftermarket's most comprehensive door and handle coverage.

### QUALITY PARTS FROM THE MOST TRUSTED NAME IN HANDLES

**Choose #1** – Nobody beats our coverage—we've got your handle

**Cut costs, not corners** – Get the same fit and function as OE without the premium price tag

**Save time** – Order handles and cranks online or in-store, and install them in minutes

**Increase reliability** – Many OE FIX designs featured upgraded gaskets and metal components to help prevent future failures
