

# DR<sub>x</sub> Beasley's™

---

*Your Detailing Prescription*

## Application Instructions

- 1.** Shake well.
- 2.** Hold Carpet & Upholstery Protection bottle 8-12 inches from the surface and spray until the carpet is damp.
- 3.** Allow product to dry undisturbed for 24-48 hrs.

## Additional Tips

Do not allow this product to freeze.

Before applying, test a small amount in an inconspicuous place to check compatibility with surface.
