## Application Instructions

- 1.** Shake well.
- 2.** Rinse wheel. **3.** Spray directly from bottom up to prevent drip marks.
- 4.** Before wiping clean, let sit for a few minutes.
- 5.** Rinse wheels again then dry with a clean cloth.
- 6.** Repeat if necessary.

## Additional Tips

After cleaning, follow with Matte Wheel Seal for protection. Before applying, test a small amount in an inconspicuous place to check compatibility with surface.
