

LIGHTBARS

12+ SERIES VANTAGE™

Sleek, Low Profile

The 12+ Series lightbars are versatile and powerful warning devices suitable for a range of vehicle types and duties. With black or white bases, the 12+ offers a sleek and aesthetically pleasing option for a variety of commercial vehicles. The lightbars can either be mounted permanently to the vehicle or mounted using an optional roof mounting kit. The 12+ Series features a durable aluminum chassis, polycarbonate base and lens and has a sleek, low profile, suitable for many vehicle applications. The 12+ Series supports three different kinds of LED modules: Warning modules, Stop-Tail-Turn modules, and white Alley/Takedown/Worklight modules.

Design Features

- ICE Optics offer brighter appearance for better visibility
- 48 Standard bar flash patterns and 11 Safety Director flash patterns
