

# Installation and Operation Instructions MagSafe™ Directional Light

**IMPORTANT!** Read all instructions before installing and using. Installer: This manual must be delivered to end user.

## **WARNING!**

Failure to install or use this product according to manufacturers recommendations may result in property damage, serious injury, and/or death to those you are seeking to protect!

## **Do not install and/or operate this safety product unless you have read and understand the safety information contained**

1. Proper installation combined with operator training in the use, care, and maintenance of lighting devices are essential to ensure the safety of you and those you are trying to protect.
2. Exercise caution when working with live electrical connections.
3. Proper placement and installation are vital to the performance of this warning device. Install this product so that output performance of the system is maximized and the controls are placed within convenient reach of the operator so that s/he can operate the system without losing eye contact with the roadway.
4. It is the responsibility of the vehicle operator to ensure during use that all features of this product work correctly.

**POWER BUTTON**  
Press once for single flash  
Press twice for steady flash  
Press three times to turn off

\*Rechargeable batteries are NOT recommended.

**Note:** The Magnet Mount is not recommended for use on a moving vehicle, nor is it intended as a permanent mount for the light. Long duration usage of the magnet in the presence of moisture will cause the steel to rust.
