EW0100 Series LED Strip Lighting

Ideal for illuminating toolboxes, racking and small or large interior compartments, these convenient LED strips are available in various pre-configured lengths. Featuring 1-watt LEDs, each strip or module can be spliced (excludes EW0141 & EW0143) and are supplied with wire leads at each end allowing multiple units to be easily daisy-chained together.

Models

PART NO.	LENGTH	VOLTAGE	AMPS	LUMENS	TYPE	LENS
