2001-11 Chrysler P.T. Cruiser Classic Fifth Wheel Installation Instructions

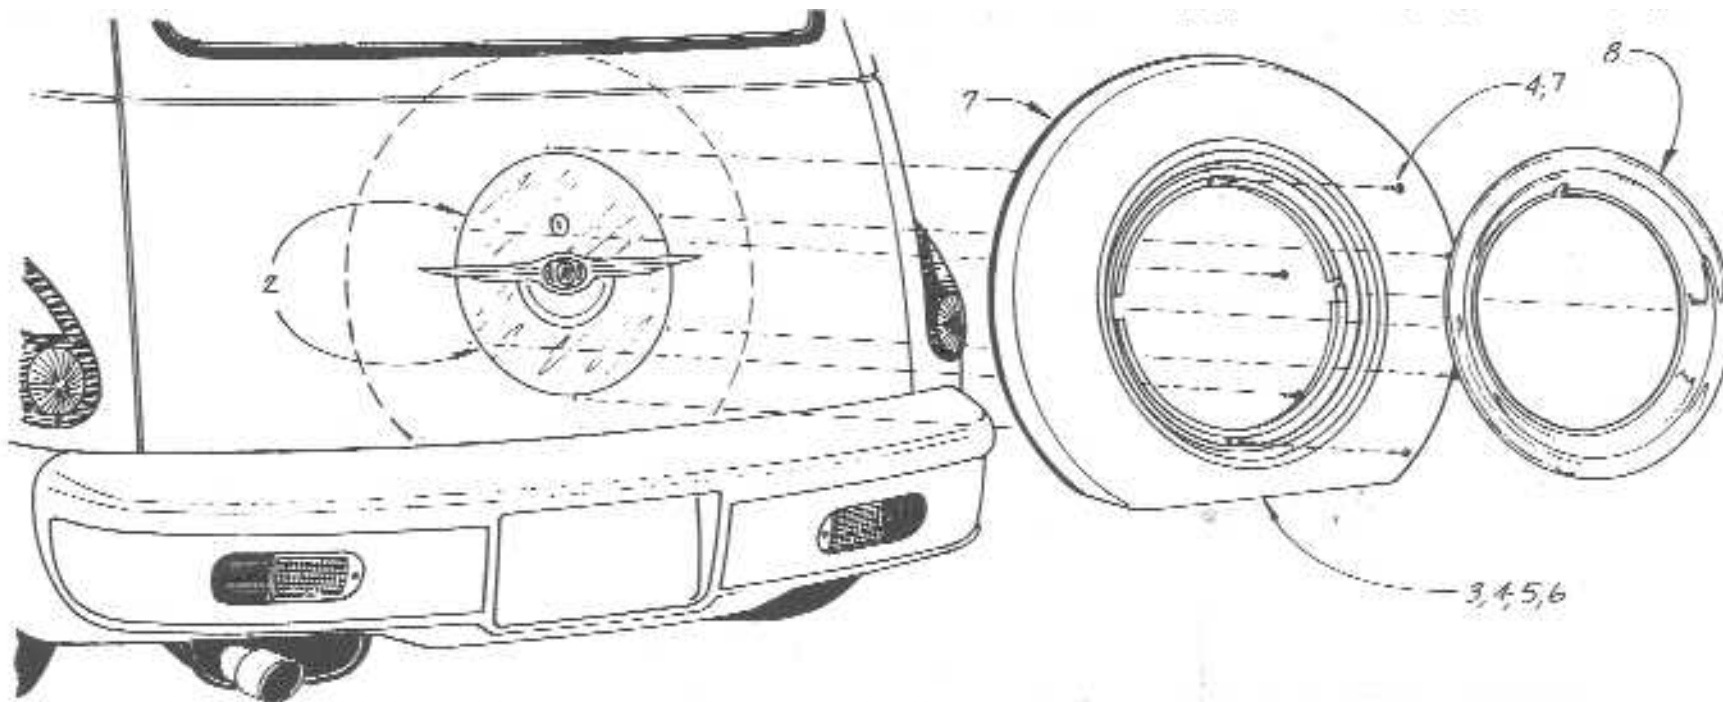

Part Number 1200-0420-01 (w/ Stainless Steel Center)

Quantity	Description	Part No.
1	Fifth Wheel Housing	1200-0421-01
1	Fifth Wheel 2 Piece S.S. Center - Upper	1200-0422-01
1	Fifth Wheel 2 Piece S.S. Center - Lower	1200-0423-01
1	S.S. 15" Trim Ring	1999-9549-00
1	Hardware Kit (components listed below)	1200-0424-01
6	3/4" Truss Head Screws	3999-9036-00
4'	Double Faced Tape	3004-9238-92
5'	Black Edge Guard	1999-0073-00

IMPORTANT: Pre-painted parts may have light surface scratches in the paint from shipping. E&G recommends using high quality extra fine liquid polishing compound and wax for removing possible surface scratches.

Note: If you are installing this on a Cruiser with a "Carsen Cruiser" top package or other aftermarket rear window treatment, you must trim the fifth wheel to fit.

1. Clean the rear hatch and apply a protective covering to the rear bumper.
2. Align the E&G fifth wheel 2 piece stainless steel center sections around the rear hatch lever and lock assembly and install them using the supplied double faced tape (Note: Part #1200-0430-01 does not have stainless steel center sections or the double faced tape). You can black-out under the handle on light colored vehicles if preferred. Make sure that the hatch lever does not hit the upper stainless section. If it does, lift the handle up until it stops then gently bend out the top of the handle (twist the top of the handle towards you) just enough to clear the stainless steel insert.
3. Align the fifth wheel housing into place, making sure it is centered with 3/16" clearance above the bumper for proper alignment. **IMPORTANT:** Failure to allow for proper clearance will allow the fifth wheel to make contact with the bumper.
4. Drill 1/8" holes evenly spaced around the mounting flange of the fifth wheel housing (12, 2, 4, 6, 8, and 10 o'clock) for 3/4" truss head screw installation.
5. Remove the fifth wheel housing. E&G recommends all holes drilled in the metal of the hatch be blown out to remove metal shavings and a high quality sealer be applied to prevent future rust problems.
6. For paint application. E&G recommends using a plastic adhesive promoter primer, base and clear coats when painting. Spies Heckler has just such a system for painting ABS parts. Please contact your local Spies Heckler paint representative / dealer for additional information.
7. Once paint has cured, install the black edge guard around the edge of the fifth wheel housing and install it onto the hatch using the 3/4" truss head screws.
8. Install the Stainless steel trim ring (align the valve stem opening towards the top) by pressing it firmly into place.

WARRANTY INFORMATION:

E&G Classics, Inc. warrants its chrome parts and products to be free from defects in material, workmanship or finish for Twenty-Four (24) months from the date of shipment by E&G. This warranty is limited to the repair or replacement, at E&G Classics option, of the defective part or product.

To obtain performance under this warranty you must:

- 1.) Present your E&G unit to an authorized distributor in your area with proof of purchase.
- 2.) If no distributor is available, contact E&G Classics (address below) for authorization to return unit.
- 3.) Returns - All unauthorized returns will be refused. Merchandise approved by E&G for return must have been purchased within the Twenty-Four (24) months. All returns require an authorization number obtained from E&G and the actual return must be accompanied by the written authorization form filled out completely. All merchandise must be inspected upon receipt and shortages reported within 48 hours. All merchandise must be in a resalable condition. Merchandise must be packed carefully in the original packing. If original packing is no longer usable, repack item(s) comparable to original manner. All returns are subject to a 25% handling charge. Special order items are not returnable. Defective merchandise must have an explanation of the problem. No credit will be issued unless invoice number and date of purchase has been supplied. Manufacturer shall be sole judge of defects in a product.
- 4.) UPS accounts - All returns must be prepaid. Do not send return shipments freight collect. Once E&G has made its decision and it is a claim against our warranty policy, E&G will credit incoming freight on damaged parts.
- 5.) No discontinued part or parts changed due to body style are returnable.

You are responsible for inspecting all packages containing E&G Classics' parts and product immediately upon their receipt and must file a claim with the carrier for any damage disclosure by such inspection and notify E&G classics in writing at the above address of any such damage. This warranty does not extend to any of our products which have been subject to misuse, neglect, accident or have been altered or repaired in any way. This warranty does not cover any accidental or consequential damages for any breach of this warranty agreement. E&G Classics shall have no responsibility for any loss of time, inconvenience, commercial loss or consequential damage, nor shall E&G be liable for any injury or damage to persons or property by reason of any defect in material, workmanship or finish of its parts or products. This warranty gives you specific legal rights and you may also have other rights which may vary from state to state.
