

NHRA CHAMPIONSHIP DRAG RACING

To: Evans Cooling Systems, Inc.

Date: May 16, 2018

This letter verifies that Evans "engine coolant" product is authorized for use in competition at NHRA-sanctioned events, including both national and divisional races. NHRA also acknowledges that Evans is a participant in the NHRA Contingency program.

Sincerely,

A handwritten signature in black ink, appearing to read "Glen Gray". The signature is stylized and cursive.

Glen Gray

NHRA

Vice President, Technical Operations
