MOUNTS TO YOUR EXTANG TONNEAU!

PART NO: 415
6-PACK: 415-6

The e-LIGHT500 cradle fits directly into the Extang Trifecta, Solid Fold and e-MAX Tonno.

Works great in or out of your truck bed, and easily powers up with included 12V car charger.

Tested at over 500 lumens, the e-LIGHT500's three LED lights are blindingly bright!
