

e-LIGHT500

**RECHARGEABLE
TRUCK BED
UTILITY LIGHT**

INSTALLATION INSTRUCTIONS:

The e-LIGHT500 can be used or mounted in any location that meets your lighting needs.

- Inside the tail panel bow of your Extang Trifecta, e-MAX, or Solid Fold tonneau cover
- Attach the cradle with either the supplied tape or screws
- Clean surface and apply primer prior to installing tape on backside of cradle

WARRANTY:

The e-LIGHT500 carries warranty against defective materials or workmanship. This warranty is against defective materials or workmanship. The warranty is void if the product has been damaged by accident, unreasonable use, neglect, improper service/installation/removal, modifications, acts of God, normal wear and tear or other causes not arising out of defective materials or workmanship. Consequential and incidental damages are not covered under this warranty. The warranty is also void if the unit is submerged in water, improperly mounted, or light has been opened or modified.

It is recommended to surface clean with soap and water only. Do not saturate or soak. The warranty applies to the original consumer/purchaser. Warranty registration must be on file and/or proof of original purchase (detailed and dated receipt) required for warranty to be effective. Warranty coverage starts from the date of purchase. Provided all warranty conditions are met, Extang will either repair or replace (at Extang's option) the product or component. Extang may require the original item to be returned postage prepaid for final determination. Extang reserves the right to substitute and offer the respective warranty discount on an entire replacement system or provide other remedies than those listed in this warranty for discontinued products or other reasons.

Shipping charges will apply for any repair or replacement. This warranty gives you specific legal rights and you may also have other legal rights which vary from state to state.
