

FAQ

Q Does the brake line for the left front come in 2 pieces?

A What you should get is a two-piece Master Cylinder Line, one-piece Left Front, and a two-piece Right Front (usually done for easier installation).

Q does the line that goes from the master cylinder to the right front wheel come in 2 pieces?

A Yes, most of our Right Front lines come in two sections (with a union) for easier installation.

Rely only on high-grade replacement brake parts offered on our virtual shelves.
