## INSTALLATION INSTRUCTIONS

**PART No.** FB22047, FB22048, FB22049

**Jeep® TJ Wrangler 1996-2006  
Piranha Series TJ Front Bumper**

**1) REMOVE YOUR FACTORY BUMPER**

Begin by removing your factory bumper. Ensure you disconnect your factory fog lights (if equipped) before you pull your bumper away.

**3) MOUNT YOUR D-RINGS**

**2) INSTALL YOUR BUMPER**

Lift the bumper up to the frame of the Jeep. Secure the bumper to your frame in the stock bolt locations with the supplied ½" hex bolts.

**4) ENJOY YOUR NEW FISHBONE OFFROAD BUMPER!**
