Soft Feel... Tough Protection

New from Husky Liners® are the X-act Contour line of **floor liners**; featuring a flexible soft feel™ with a factory finish look. X-act Contour™ floor liners have the unique ability to work with vinyl floors. They protect vehicle carpet from snow, water, spills and basically everyday life. Designed to fit the complex contours of truck and SUV floorboards... exactly. Our liners are easy to clean, designed to last and come with a lifetime guarantee against cracking and breaking.

Applications available for top selling Dodge, Ford and GM trucks and SUVs.

Molded in nibs helps prevent liner from shifting

Exact fit, designed to contour the complex surfaces of your specific vehicle's floorboard.

Textured finish and a soft feel for a factory OEM look.

Our floor liners are designed and manufactured in the USA and feature a Lifetime Guarantee against cracking and breaking

Easy to clean: Simply... lift out, wash off and replace

Uses all existing factory carpet hooks and fasteners.

Raised ribs trap fluids while keeping your shoes clean and dry.

Form fit edge gives your floor liner a finished look while keeping spills off your doorsill and carpet.

Features "SPiN": Molded in Sta-Put Nibs helps prevent the liner from shifting.
