

FOR THE INDUSTRY'S BEST, BY THE INDUSTRY'S BEST
2023 WHEEL + WHEEL ACCESSORY CATALOG

UNCONVENTIONAL IS OUR PLAYGROUND.

OUR BRANDS, YOUR BUSINESS.

We have 41 brands under our wings and each one is a segment leader from the streets and the track, to the desert and dunes. No one pushes innovation harder while giving consumers and professional race car drivers alike the same innovative products.

CAST ONE-PIECE WHEELS

Named after the tough and mighty icon of the African bush, Black Rhino Wheels is passionate about protecting its namesake and supporting conservation efforts to help safeguard the rhino from extinction. From the streets to the off-road, Black Rhino has you covered with over 80 wheel designs. Experience performance on a new level with Black Rhino's collection of 1-piece cast, Flow Formed Technology and Beadlock wheels—guaranteed to transform any ride into an off-road contender.

*Beadlock wheels are for off-road use only and are not street legal.

Fuel Off-Road two-piece cast wheels offer the big dollar look of custom forged wheels at a much lower price. The modular construction provides the flexibility to customize the finish of the wheel center and outer lip independently, for a truly unique look.

CAST TWO-PIECE

DUALY & FORGED DUALY

Fuel Off-Road's cast One-Piece dually wheels are made in fitments for street, lifted and extreme trucks running traditional or super single front wheels. Custom finishing is available, with polished, liquid paint and powder coat options all crafted here under one roof.

Backspace options give you the ability to customize your stock or modified dually truck. We offer three different specs to play with: 2.5", 3.5", or 4.5" spacing, each for a specific look and style.

STREET 2.5" spacing for street and A/T tires as wide as 275mm

LIFTED 3.5" spacing for street and A/T Tires 285 325mm wide and 12.50 wide M/T tires.

EXTREME 4.5" spacing for 13.50 wide or wider M/T tires.

Dually rear + front shown above.

FORGED DUALY

The Fuel Dually line starts with our exclusive forgings and then we custom machine your wheels to offer a perfect and direct bolt-on wheel tailored to your specific vehicle. You'll no longer need to run adapters or spacers on your tow vehicle, just mount up some Fuel Off-Road wheels and go. As with all of our wheels we offer custom finishing, from polished to liquid paint and powder coat, its all done here under one roof.

OPTIONS GALORE

Our dually wheels are stocked in 8 and 10-lug configurations with polished and gloss black and milled as finishes. Additionally front wheels can be ordered as standard dually or super single fronts. To see more options scan the QR code above and be taken directly to the dually forged page of our website.

KMC Wheels is relentlessly redefining performance on and off the asphalt with innovation and style. KMC is for the barrier-breaking, game-changing individuals who defy conventional thinking in motorsports and use machines to pull off the impossible. From 1-piece cast wheels to dedicated beadlock wheels, KMC is the ultimate source for your style and performance needs.

CAST ONE-PIECE WHEELS

Cray Wheels are engineered exclusively for one vehicle: the iconic Corvette. A high-performance sports car deserves a high-performance wheel, and Cray has perfected the craft. View the lineup of methodically developed wheels featuring classic design cues and motorsport-inspired ethos. Each Cray wheel is compatible with OE Corvette center cap, factory lugs, and TPMS sensors.

DUB Wheels is the exclusive source for today's spinning wheel designs. Spinners and Skirts are available from 24" and 26" diameters and in 50+ unique designs. We can finish each wheel in almost any way you desire. Skirts, available only through DUB Wheels, feature exclusive technology that allows the face of the wheel to remain stationary as the wheel rolls.

AERODISC FOR BUC-M, LAS-R & RSE CAST MONOBLOCK WHEELS

Thread-on wheel fan for 19x8.5 BUC-M, LAS-R and RSE cast monoblock wheels only. Available in both gloss white and gloss black, the new Rotiform AeroDisc is an easy and exciting way to customize your vehicle. Download our free graphics packages, or run them as is for that vintage motorsport look. AeroDisc must be used with new Billet Hex fastener. Billet Hex is sold individually.

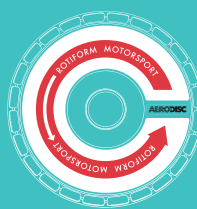

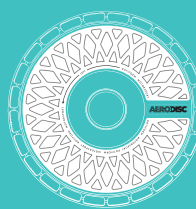

GLOSS WHITE
18, 19
5 LUG

GLOSS BLACK
18, 19
5 LUG

FREE DOWNLOADABLE GRAPHICS

Available as downloadable vector files so you can customize your set of AeroDiscs 16 different ways. We recommend having them printed, cut and installed by a professional vinyl shop. Rotiform is not responsible for the graphic printing, cutting, or installation on your AeroDisc.

Top-to-Bottom (L-to-R):

Hex Cap
Billet Hex Cap
Candy Red Hex Cap
Spline Cap

Fits Cast:

BTL / BLQ-C / BUC-M
CVT / DTM / LAS-R
LHR-M / LSR / LTN
OZR / RSE / SGN
SIX / TUF / TUF-R
ZMO / ZMO-M

We can make almost any forged wheel to accept our Thread-on center caps

Rotiform Push-In Cap Fits: Standard wheels (Non True-Thread Caps)

RF Lens Fits: Hex Caps

Rotiform Lens Fits: Hex Caps

ROTISPEC vs. CUSTOMSPEC

WHAT YOU NEED TO KNOW.

Our RotiSpec series features a forged monoblock design giving you the ultimate blend of both light weight and forged strength – design without compromise. The RotiSpec series wheels masterfully crafted, available in select finishes and distinguished styles that are in-stock and ready for your build. Forged lightweight wheels now even lighter on your wallet. Feel the difference with RotiSpec Forged from Rotiform.

Our CustomSpec forged wheels are enthusiast inspired, artisan designed, and neurotically engineered. Made to inspire lustful admiration and envious glances. Your specs, your way, and in your color. Experience a degree of excellence only found with Rotiform CustomSpec bespoke wheels. Hand built in the USA from the finest local materials and manufactured to your precise specifications – let us build the wheels you've been dreaming of.

CAST TWO-PIECE WHEELS & CUSTOM FORGED

Offering a wide range of fitment flexibility, the American Racing 2-Piece Cast styles are built to order. The cast center allows for a wide range of sizes and backspacings at a much lower cost compared to a fully forged 2-piece wheel. The wheels are built using a cast aluminum center welded to a forged aluminum outer barrel. This 2-piece design allows for almost limitless custom finish options for your ride.

Customize Your Classic With Either Dog Ear Bolt-On Or Press-In Bases Or Hexthread On Caps. These Allow You To Run Factory Or Aftermarket Knock-off's.

Left-to-right:

Optional knock off cap for threaded hexcaps

For use on threaded hexcap wheels like the Blvd.
P/N 38060-35h

Dog ear bolt-on

Hub base bolts to the dog ear pattern on U.S. Mag Standard.
P/N 1003-63-06h

O-ring press in

Hub base adapts into the center cap opening on U.S. Mag wheels like the Bandit and Rambler.

P/N 1003-83-06h

MORE CUSTOM OPTIONS FOR YOUR CUSTOM RIDE.

2-PIECE CUSTOM FORGED SERIES FROM US MAGS

2-Piece Forged weld together wheels offer flexibility in sizes, offsets, bolt patterns, and finishes that cannot be matched by a cast wheel. With sizes ranging from 15" through 28" and the ability to build back-spacings in 1/8" increments, there is practically no fitment that can't be built.

PRECISION SERIES FORGED FROM U.S. MAGS

Your ride demands superior performance and unparalleled style, and the US Mags Precision Series delivers. Our Precision Series wheels are designed and manufactured in the USA in York, SC. Each wheel is machined from a single 6061 T-6 Aluminum forging and available in 20" through 26" sizes. Offered in three standard finishes and build times as low as 2 weeks for polish, US Mags is the ultimate solution for your street truck.

ASSEMBLED TO SPEC. OUR CAST CENTER 2-PIECE WELDED WHEELS ARE AVAILABLE IN ALMOST ANY SIZE AND CONFIGURATION THAT YOU COULD WANT.

We'll handle the robotic welding to ensure your wheels fit perfectly, giving you the custom look and finish your vehicle deserves. The following charts show sizing available for both soft lip and traditional lip for each style of U.S. MAGS cast center 2-piece wheels.

LIP STYLE	SIZES
STEP	15x4, 15x6, 15x7, 15x8, 15x9, 15x10, 15x12, 15x14, 15x15
SMOOTH	17x7, 17x8, 17x9, 17x10, 18x7, 18x8, 18x9, 18x10, 18x11, 18x12, 20x8.5, 20x9, 20x10, 20x10.5, 20x11, 20x12, 20x14, 20x15

Since 2005 MSA Wheels has been a leader in both styling and performance, developing dozens of first to market products that are now considered the norm in our industry. We have a hard-earned reputation thanks to our artisanal designs and flawless engineering practices and hold you and your rig's needs in first place. We dominate the mud, yet still paved the way for the big wheel market to become what it is today. The dirt never bothered us and our wheels are proof.

We have taken our passion for vehicles from the road to the cart paths with the same eye for detail and performance. We get asked a lot where our products are engineered and we are proud of the fact that each and every one of our products is extensively designed and engineered right here in the United States and tested in our big backyard, the Rocky Mountains of Colorado.

EFX Performance Tires have been at the forefront of engineering the world's best performing off-road tires for UTV, ATV and Golf Cart fitments. We take our designing serious, spending countless hours in the field to ensure that each and every approved tread pattern is the best tire we can produce. Each and every tire design we manufacture has been abused in the mountains of Colorado, flats of California and the backwoods

to Texas to ensure that no matter your terrain preference, we have a tread that fits your style. For 2023 we are proud to introduce three new designs to our current line-up.

BILLET STEERING WHEELS CUT TO MATCH YOUR CUSTOM FORGED WHEELS IS NOW AN OPTION.

That's right, your customers can take their build to the next level with custom cut, forged steering wheels from DUB, American Racing, U.S. Mags and Rotiform. We take styling cues and finishes from the wheel design, add a leather grip and integrated horn button with logo center cap and create a piece that truly speaks to the individuality of your customer. Just like our wheels, the possibilities are endless.

SMALL DIAMETER SPLINE
CHROME, BLACK, RED & BLUE

LUG BOLT & LOCK
CHROME & BLACK

SPIKE LUG KITS CHROME,
BLACK, RED & BLUE

SMALL DIAMETER SPLINE LUG & LOCK KITS*

- Available in 4, 5, 6 and 8 lug kits with lugs only or including locks
- Lugs are heat treated for strength and durability
- Narrow Spline lug style and thin wall socket for compatibility with all aftermarket wheels
- Wheel Pros recommends Gorilla Spline lugs for all wheel applications

LUG BOLT AND LOCK SETS*

- Available for OEM applications with unique lug bolt styles like VW/Audi, Mercedes and BMW
- Small Diameter Spline lug bolt kits for aftermarket wheels with narrow lug pockets
- Extended Bolt Lengths available for up to 20mm spacers
- Cold Forged, Heat Treated and Rolled Threads for strength and durability

SPIKE LUG KITS*

- Available in 4, 5, 6 and 8 lug kits in Chrome, Black, Red & Blue finishes
- Short 3" Length for UTV and Car applications, 4.25" Length for Cars and Trucks
- Lugs are heat treated for strength and durability
- Included hollow spike socket for installation and removal

VALVE STEM CAPS, ADHESIVE WHEEL WEIGHTS, CABINET PROGRAM, HUB RINGS, & MORE...

- Adhesive Wheel Weight strips and rolls in silver and black
- Aluminum valve stem caps with magnetic tips
- Cabinet Program - Protect and Organize your Automotive Needs
- Hub Centric Rings, Thin wall sockets, torque wrenches for safe installation

GORILLA FEATURED PRODUCTS

MASTER-KEY SET

- **16 - PIECE SET** - hex and tuner style keys to fit a variety of aftermarket lug nuts.
- **BUILT TO LAST** - Made of heat-treated chrome vanadium steel and finished with corrosion-resistant black oxide to hold up to a lifetime of use.
- **PLASTIC STORAGE CASE** - Includes a durable blow-molded plastic case with locking clips for easy organization and hassle-free storage.

PROGRAMMABLE TPMS SENSOR

- Most Popular variant of EZ-Sensor
- Single-SKU, dual band solution
- Same fit/finish as OE Sensors
- Over 95 % coverage of VIO

Powered by  Schrader

FACTORY STYLE REPLACEMENT LUGS AND LOCKS*

- Factory Style Lug Nuts and Locks are designed to match OEM lug nuts from Ford, GM, Mopar, Toyota, Honda and more!
- Chrome or Black solid steel lug nuts replace problematic "capped" lugs
- 4 pack and System lock sets add security

Gorilla Automotive Products has been the industry leader for wheel accessories for over 40 years! With a full line of lug nuts, lug bolts and wheel locks for OEM and Aftermarket wheels, plus a wide selection of sockets, tools, and installation accessories you can trust we have what you need.

JEEP PERFORMANCE EQUIPMENT

Get the TeraFlex Advantage!

TeraFlex manufactures components for the Jeep Wrangler/ Unlimited and Gladiator including premium suspension systems, performance shocks, heavy-duty axles, low-range gearing, body armor, and more. With our roots dating back to the 1950s beginning as MEPCO (Military Equipment Parts Company), a distributor of Jeep parts and accessories, we have gained a vast knowledge of the various CJ/Wrangler platforms.

In the fall of 1996, TeraFlex became the first company to engineer a suspension system and manufacture parts in-house for the TJ Wrangler's all-new coil spring suspension. Our experience and knowledge have allowed us to create the unique and innovative parts and accessories that fill out our product line today ensuring TeraFlex's dominant hold on the Jeep market. Get the TeraFlex Advantage Today!

FOR MORE INFORMATION VISIT:
TERAFLEX.COM OR CALL 801.713.3314

Historically, universal shock absorbers and steering stabilizers have been adapted to fit many applications with minimal tuning. In 2017, Falcon Performance Shocks rewrote the book on damper development. Our engineers went back to the drawing board to develop shock absorbers properly matched to TeraFlex lift coil springs. Falcon shock absorbers and steering stabilizers meet the unique requirements of the Jeep Wrangler/Unlimited and Jeep Gladiator.

After our initial success in the Jeep market, many Jeeps requested shocks for their tow rigs. This resulted in our vehicle-specific shock systems for trucks and SUVs that are tuned to work with the factory linear rate coil springs and/or rear leaf springs (where applicable).

DRIVE **INNOVATION**, DRIVE **FALCON!**

NEW ARRIVALS FOR RUGGED OFF-ROAD DODGE RAM 1500 4WD 4-INCH LIFT KIT

Rugged Off Road™ High Quality Leveling Kits and Suspension Lift Kits for Chevy, GMC, Ford, Dodge, Toyota, Nissan and Jeep trucks and SUVs are the best engineered, best priced suspension products on the market today. Engineered using over a decade of machining experience, Rugged Off Road™ Leveling and Lift Kit products guarantee to lift your truck and keep the factory ride.

You can't beat Rugged Off Road!

RUGGEDSHIELD POWERTRAIN WARRANTY

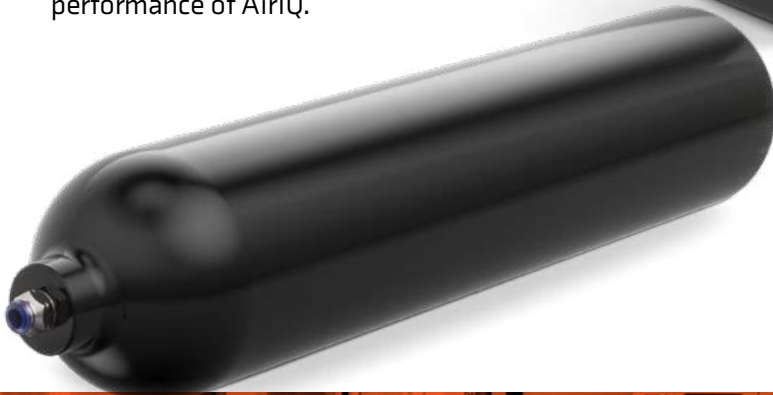

Our suspension products are engineered and built to provide years of trouble-free service. Rugged Off Road backs its outstanding suspension products with an exceptional 5 year - 60,000 mile RuggedShield Powertrain Warranty. The RuggedShield Warranty is FREE with the purchase and professional installation of any Rugged Off Road suspension product. This exclusive Ready Shield Powertrain Warranty program covers all major powertrain parts so customers can have the peace of mind that their vehicle is covered in the event of a failure related to suspension modifications.

WE MAKE LEVELING & LIFT KITS FOR:

CHEVROLET / GMC / FORD / RAM / TOYOTA / NISSAN / JEEP

A revolution in load leveling support is here. The new AirIQ management package.

AirIQ Complete Air Management packages for load leveling are factory assembled and tested for guaranteed performance. Our ready to bolt-on packages fix weight related rear squat, with options for side-to-side leveling and on-board air. Nothing rivals the ease and performance of AirIQ.

Make your AirIQ package refill in seconds, add a Boost Tank to any package.

2-Gallon aluminum air tank is powder coated and includes easy frame mounting brackets and tank plumbing kit and can be used for on-board air.

PN: 50-10200

The Future of Electronic Air Management is Here

AirIQ is based around an industry first, modular architecture that combines next-level technology and innovation providing a totally seamless user experience...

Key Features of the AirIQ Complete Compressor & Manifold Package.

- More intelligent pressure control
- Precision machined aluminum manifolds
- High flow solenoid valves for faster leveling
- Integrated BLE chip provides the best range & performance on the market
- Future proof software design with OTA (Over The Air) firmware updates
- AirIQ Management Packages use higher capacity, durable air compressors
- Faster & easier installation with 100% factory preassembled packages
- Pairs perfectly with ReadyAIR load leveling air springs for optimal results. Compatible with all helper bag brands.

Air Suspension Management

LOGIQTM
AIR SUSPENSION SOLUTIONS

AirIQ SD1 PN: 50-41100

Our most affordable AirIQ solution with a Standard Duty compressor and single channel valving for control of both air springs together.

Standard Duty Air Compressor
25% Duty Cycle
2.03 CFM @ 0 psi

Single Axis Control
Front to Rear

AirIQ SD2 PN: 50-41200

Upgrade to independent corner control with dual channel valving to manage offset loads with ease.

Standard Duty Air Compressor
25% Duty Cycle
2.03 CFM @ 0 psi

Dual Axis Control
Front to Rear +
Side to Side

AirIQ HD2 PN: 50-42200

Step up to an heavy duty compressor along with the dual channel valving for ultimate performance.

Heavy Duty Air Compressor
33% Duty Cycle
2.62 CFM @ 0 psi

Dual Axis Control
Front to Rear +
Side to Side

All AirIQ Load Leveling air management packages include universal frame mounting brackets and hardware, plumbing kit with 20ft of 1/4" tubing, weather sealed wiring harness, fuse holders and installation accessories

Fully Upgradeable

The modular design of AirIQ can contain anywhere from 1-4 corner modules and can be customer upgraded at anytime. Never throw away to upgrade again...

Smart Corner Modules

Each corner module contains OEM quality solenoid valves, an onboard precision pressure sensor, and a microprocessor running intelligent algorithms for accurate leveling.

Easy-to-Use App

The AirIQ Bluetooth App delivers user-friendly control of your air suspension and is available free for iOS and Android devices. The App yields precise adjustment of air pressures resulting in effortless height management with the ability to save up to 8 custom presets for different loads.

ELEVATED COMFORT. ULTIMATE CONTROL.

ReadyLIFT is proud to introduce ReadyAIR Performance Load Leveling Suspension powered by LOGIQ. ReadyAIR products bring this 70 year old market into the 21st century with the latest LOGIQ air spring technology that provides the ultimate blend of ride quality and load stability, in a 100% factory assembled and ready to install package.

WHAT IS READYAIR?

ReadyAIR is a high-performance load leveling air suspension system that is designed to address the common suspension issues associated with towing and hauling heavy loads.

MORE SUSPENSION TRAVEL.

Competitors limit the factory travel and usually eliminate the OE bump stops. ReadyAIR kits have improved suspension travel and retain the factory bump stops for optimal suspension performance.

LIFETIME WARRANTY.

All ReadyAIR suspension kits come with Limited Lifetime Warranty and a FREE ReadyGUARD 5-year 60,000 mile Powertrain Warranty.

TOW & HAUL WITH TOTAL CONFIDENCE!

- Regain proper suspension travel
- Improve towing control & stability
- Correct front-end alignment
- Resolve headlight angle issues
- Achieve a leveled appearance

PROPERLY SCALED TO MATCH THE SIZE OF YOUR TRUCK.

Rather than using the archaic “one-size-fits-all” approach, ReadyAIR properly scales the air spring size and quantity to truly maximize your specific truck’s towing and hauling capability.

1/2 Ton
Single Air Spring

3/4 & 1-Ton
Dual Air Springs

ENGINEERED FOR EXCELLENCE.

Our development team is on a mission to create a line of products that outperforms the competition in every single way. By using world-class processes and techniques, ReadyAIR and LOGIQ will revolutionize the current air suspension market.

QUICK & EASY INSTALLATION

100% preassembled design combined with “clamp around” brackets provides a simple installation with no drilling required.

OEM HITCH INTEGRATION

Compatible with a wide variety of OEM and aftermarket 5th wheel hitches.

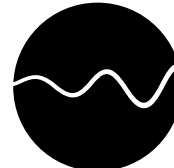

PRECISION FITMENT

Built-in features that locate off the factory frame and leaf springs guarantees proper fitment and operation for every install.

ENHANCED STABILITY & LOAD SUPPORT

LOGIQ high-endurance air springs provide up to 7,200 lbs of load support (dual spring models)

EXCELLENT RIDE QUALITY

OE-style LOGIQ air springs feature a low frequency design for smooth performance, even while towing and hauling.

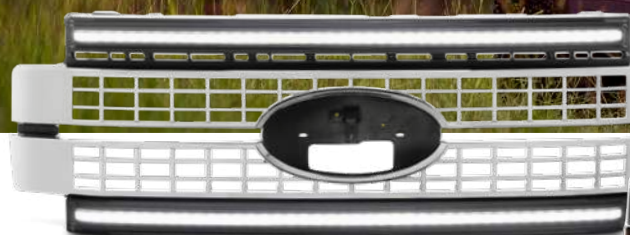

LIFETIME WARRANTY

All ReadyAIR products come with a Limited Lifetime Warranty and FREE ReadyGUARD 5-year - 60,000 mile Powertrain Warranty.

THE GRIPPER LINE OF TRUCK & SUV TIRES FROM FUEL OFF-ROAD.

From 17 to 28-inch applications, Fuel Off-Road's Gripper tire never ceases to impress. The Gripper is engineered to withstand the harshest off-roading conditions, while still providing legendary function when actual roads need to be driven. With a wide range of sizes and options for your truck, the Gripper is the obvious choice.

GRIPPERX/T

Fuel Off-Road's most extreme Gripper yet. The X/T will get you through the thick stuff and back through it again. And again. Aggressive lugs and an immense protruding sidewall design takes a bite out of terrain like no other, while still maintaining great traction and a shockingly quiet ride when asphalt is in your way.

MUD TERRAIN

35X12.50R20L	33x12.50R22	35X12.50R22LT	35X12.50R22LT
35X12.50R20XL	33x12.50R22XL	35X12.50R22XL	44X16.50R28LT

GRIPPERM/T

Fuel Off-Road Tire Gripper M/T. If you want aggressive styling and superior traction, don't look any further. Fuel Gripper M/T tires have it covered and are a perfect match for the Fuel wheel line up.

MUD TERRAIN

33X12.50R17LT	33X12.50R18LT	35X12.50R20LT	37X13.50R20LT	35X12.50R22LT	35X13.50R24LT	37X13.50R26LT
35X12.50R17LT	35X12.50R18LT	35X12.50R20LT	38X15.50R20LT	37X13.50R22LT	37X13.50R24LT	40X15.50R26LT
37X13.50R17LT	33X12.50R20LT	35X13.50R20LT	33X12.50R22LT	38X15.50R22LT	40X15.50R24LT	40X16.50R28LT

GRIPPERA/T

The Gripper A/T features a bold off-road look that instantly transforms any vehicle. The aggressive, high-void all-terrain tread features a stiff sidewall to help prevent punctures and bruises under the tread and in the sidewall. Built to improve stress distribution, tread life, and wear, the Gripper A/T is your go-to tire for the daily-driven off-road truck or SUV.

THE BOSS

Micky Thompson was a pioneer and a product innovator. He created the first 35" tall truck tires for off-road use. Not satisfied, looking for more traction and a competitive advantage, Micky created "tread-on-the-sidewall" for additional traction and pulling power in extreme off-road conditions. Today, all Mickey Thompson truck tires, from street to off-road, are engineered and built to UNCOMPROMISED standards, delivering UNDISPUTED performance.
