**This generation mud terrain tire will deliver maximum performance in aggressive off-road conditions. The bold, aggressive tread design will chew up and spit out off-road obstacles, and yet, it will still provide a comfortable road driving experience.**

**SMOOTH HIGHWAY RIDE**

A low void to rubber ratio in the tread's center promotes better handling and a smoother ride for everyday highway use.

**OPEN SHOULDER DESIGN**

A bold look with a new aggressive tread design and open shoulder helps deliver greater traction and better grip on soft surfaces.

**EXTREME TRACTION**

The high void to rubber ratio on the outer edges of the tire, offers each enthusiast the extreme off-road traction they desire.

**STONE EJECTORS**

The arched segmented stone ejectors extend from shoulder to shoulder of the tread design. They prevent stones and debris from lodging between the tread blocks, while facilitating continuous, maximum traction, and performance.

**DURABILITY AND HANDLING**

A high turn-up cap plus 3-ply polyester construction ensures excellent durability, reliable impact resistance, and responsive handling.

On and off the road, this tire is built to tackle performance demands! Its self-cleaning tread design allows you to take on any terrain and it will work just as hard for you on your daily commute. Its tread block design and continuous road traction make it ideal for daily driving on or off road.

### BEEFY

Designed with an enhanced tread pattern, the Country Hunter MT tire distributes contact evenly throughout the footprint of the tire for balanced wear, and it expels mud and dirt to provide uninterrupted grip.

### 3-PLY SIDEWALL

The 3-ply sidewall design with a high turn up protects against punctures and resists damage from sidewall scrubbing. Staggered shoulder blocks are designed for stable lateral grip in dirt, mud, and snow.

### STONE EJECTORS

The arched segmented stone ejectors extend from shoulder to shoulder of the tread design. They prevent stones and debris from lodging between the tread blocks, while facilitating continuous, maximum traction, and performance.

### AGGRESSIVE NON-DIRECTIONAL TREAD PATTERN

The aggressive bold tread pattern is non-directional with a deep lug design, and a center zone for a truly exceptional off-road experience.

### DEEP SIPES PROVIDE SUPERIOR WET TRACTION

The deep sipe design offers increased traction in wet conditions throughout the life of the tire.

## STANDARD COVERAGE

If your Fury Tire becomes unserviceable as a result of an eligible adjustable condition during the first 1/32nd of tread life the owner will be compensated 100% of the value of the tire and after that amount to be compensated will be calculated by a Pro-Rated basis down to 25% remaining tread depth. You must pay for mounting, balancing and any other additional charges, such as taxes and freight, or the acceptance of a higher-priced replacement tire. Fury Tires shall not be responsible for any other fees incurred as a part of any exchange, labor, or other costs incurred as a result of this guarantee. Fury is not responsible for any damage or other issues caused by the improper installation (including any of the exclusions below), balance, or selection of tire, including selections of size, specification, type, or use of such tire (including those obligations under the "Owner's Obligations section below") that is not recommended by the manufacturer of your vehicle. All terms and conditions of this guarantee are limited to the terms and conditions contained in this guarantee.

Fury Tires include the Standard Coverage as well as the additional coverages listed below.

## LIMITED LIFETIME WARRANTY

Fury Tires warrants that all New Tires shall be warranted for the recommended life of the tire resulting from mileage limitations or age of the tire, whichever expires first. "New Tires" shall be defined as all unused and never installed tires sold directly from Fury Tires as "New" or it's authorized distributors as:

1. Free from material defect
2. Manufactured in a good workmanlike manner
3. Tested in accordance with applicable standards listed on such tire

Except as may be provided by applicable law or regulation, Fury Tires expressly disclaims all other warranties.

THIS WARRANTY SHALL BE NULL AND VOID IF:

1. The tires are not used in accordance with the standards recommended by the Tire and Rim Association, Inc.
2. Using the tire beyond it's manufacturer specifications, including, but not limited to, loading the wheel beyond the applicable maximum wheel load as specified by Fury Tires, repair, incorrect fitment, modification of any kind, incorrect installment, beadlock installation, improper inflation, or other misuses not expressly stated by the tire specifications or in accordance with the Tire and Rim Association, Inc's recommendations (collectively, the "Misuses").
3. Using the tire in any type of activity which subjects wheels to the abuse, including racing (on road or off-road), rock crawling, or other forms of abuse.

## CONDITIONS AND EXCLUSIONS

Fury Tires warranties are limited to the original purchaser and the original vehicle on which they are installed, and such warranties and guarantees are not assignable to subsequent purchasers or vehicles. All warranties and guarantees by Fury Tires are only applicable in the United States, Canada, or Puerto Rico; any tires used or equipped on a vehicle registered or operated outside the U.S., Canada or Puerto Rico are not covered by this warranty.

Fury Tires will not handle or process any warranty claims without authorized dealer involvement.

All warranties must be handled through the authorized dealer that the products were originally purchased from. Any and all warranties are only warranted to the original purchaser of Fury Tires.

- Tire branded or marked "blem/blemished," "Non-Adjustable (N/A)," or previously adjusted.
- Failure, damage or irregular wear due to:
- Road hazards (i.e. punctures, cuts, snags, bruises, impact breaks, etc.), accident or collision.

### THE FOLLOWING IS NOT COVERED BY THE LIMITED WARRANTY:

- Fire, accident or vandalism.
- Mechanical condition of vehicle, including misalignment, wheel imbalance, faulty shocks or brakes.
- Misapplication of tire or use of improper inner tube.
- Alteration of the tire, modifications, repairs with or addition of alien material.
- Use of tire chains, tire spinning, racing, off-road use, or other competitive activities.
- Your vehicle has staggered tire fitments.
- Costs of mounting and balance service.
- Costs related to tire pressure monitoring systems.
- Costs related to shipping and transportation of the tire.
- Loss of time or use, inconvenience, or any incidental or consequential damages.
- Improper use or operation including, but not limited to: improper tire and vehicle maintenance, run flat or run with severe under inflation, misuse, abuse, accident fire or chemical corrosion, under inflation, overloading, over deflection, or failure to follow recommended rotation practices.
- Improper installation, improper mounting or demounting, misapplication, improper repairs, wheel misalignment, or imbalance in the tire/wheel assembly.
- Your tire size, load and speed rating do not match the tire specifications outlined in your vehicle owner's manual.
- Tires with the Department of Transportation (DOT) number removed or rendered illegible; tires must bear the DOT prescribed tire identification numbers.
- Ride complaints after the first 1/32nd of tread wear or due to damaged wheels or any vehicle condition.

Fury Tires does not warranty any products that were used for

improper fitments according to the wheel and tire fitment guideline standards. Any tire that has been stretched to fit a wheel is not covered under any warranty, and any such stretched fitments is the sole responsibility of the installer.

Fury Tires does not warrant any work performed by the dealer, including, but not limited to, their selection, fitment, mounting and balancing, inspection, or repair of any tire.

## CONSUMER RIGHTS

This Limited Warranty gives you specific legal rights; you may also have other rights, which vary from state to state.

Fury Tires disclaims all other warranties, express or implied, including the implied warranty of merchantability, the implied warranty of fitness for a particular purpose and liability for incidental and consequential damages (i.e., loss of time, loss of use of vehicle, road services, towing charges, inconveniences, etc.)

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusions may not apply to you.

NO ONE (including a Fury Tires employee, representative, or dealer) has the authority to vary the terms of this Limited Warranty.\*

## OWNER'S OBLIGATION

When making a claim, you must return the tire to be replaced to your Authorized Fury Tire Dealer and sign the

customer signature section of the Fury Tire Claim Form.

Proper vehicle and tire care is necessary to obtain the expected wear from a tire. It is your obligation to properly maintain your tires and the vehicle upon which they are mounted, including:

1. Operating your tires at the inflation pressures recommended by the tire and vehicle manufacturer.
2. Keeping your tire/wheel assemblies in balance.
3. Proper wheel alignment.
4. Maintaining steering/ suspension components to be within each manufacturer specifications.
5. Rotating your tires at least every 3,000-5,000 miles.

We recommend that you have your Authorized Fury Tire Dealer inspect your tires any time you notice irregular or uneven tread wear and rotate them, if necessary.

Failure to follow any of the previously mentioned Owner Obligations may be considered a breach of the warranty agreement and result in the termination of the warranty agreement. Furthermore, Fury Tires reserves the right to review each warranty claim and deny the application of the warranty based on a failure to have followed any of the previously mentioned Owner Obligations.

\* Fury Tires reserves the right to change the terms and conditions of all warranties at any time.
