

**PATENTED MODERN DESIGN**

Following today's trends in hard styling lines, our OCTA tubes bring the latest in styling to the classic nerf bar that has been unchanged for over 30 years. Our EDGE styling is perfectly suited to today's trucks and SUV's.

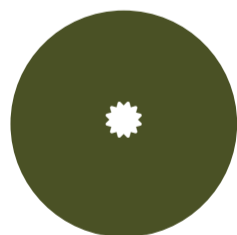

**DEEP CHROME**

Deep chrome or flawless textured powdercoat finish, our finishes are of the highest quality.

**NEVER RUST**

With an aluminum substructure, on both the chrome and powdercoated tubes, you will NEVER see rust ever again. Our internal ribbed tubes are also stronger and lighter.

**LIMITED LIFETIME WARRANTY - POLISHED & BLACK**

Unlike the competition, we offer LIFETIME WARRANTY on our complete line of tubes, black and chrome.

**MAXIMUM GROUND CLEARANCE + BRACKET COVERS**

Optimal bracket design, ensures minimal ground clearance loss and no dragging or hanging up.

**NAME BRAND**

We've been supplying tubes directly to the OEM's like GM and Toyota for 20 years, and are now bringing that same quality with the latest in modern styling direct to you at aftermarket prices.
