Bull Bar / Dakar Sport

1

2

Bracket, passenger side.

Tool Required:

3/4" Socket	17 mm Socket	Ratchet
3/4" Wrench	Extensión	

Instructions:

Approximated installation time: 30 min.

1. Before beginning installation, read the instructions thoroughly and completely. If any of the items listed above are missing, please do not proceed with the installation. Call your distributor immediately to obtain the necessary items.
2. Locate the factory tow hooks in front of the vehicle's frame and remove them.
3. Insert the bracket and the tow hook back into the original location. Re-attach using the original bolts and repeat on the opposite side. Leave loose. See Pictures 1 and 2.

Cleaning and care instructions:

Protect the finish with a non-abrasive automotive wax, (e.g. Pure Carnauba) on a regular basis. The use of any soap, polish, or wax that contains an abrasive is detrimental to the finish, as the compounds scratch the finish and cause corrosion.
