

BR20 REAR BUMPER REPLACEMENTS

The perfect complement to the BR Series Front Bumper Replacement, the BR20 Rear Bumper Replacement is available for mid-size and full-size trucks. Optional light plates allow installation of popular styles and sizes of LED flush-mount lights.

Features:

- ◊ Integrated corner steps for more stepping points to access the bed
- ◊ 1" thick steel shackle mount welded to each of the ¼" steel mounting brackets
- ◊ Provisions for factory trailer light plug
- ◊ Includes two LED lights to light up the rear license plate
- ◊ Access point for the spare tire winch
- ◊ Provisions for factory rear park assist sensors
- ◊ Optional light plates allow installation of flush mount LED lights
- ◊ Available in Textured black powder coat finish (5-year limited warranty)
