

KINERGY 4S²

Just one, whatever the weather

60K warranty
ROAD HAZARD WARRANTY
30 DAY FREE TRIAL

Meets the severe snow service requirement of the U.S. Tire Manufacturer's Association (USTMA)

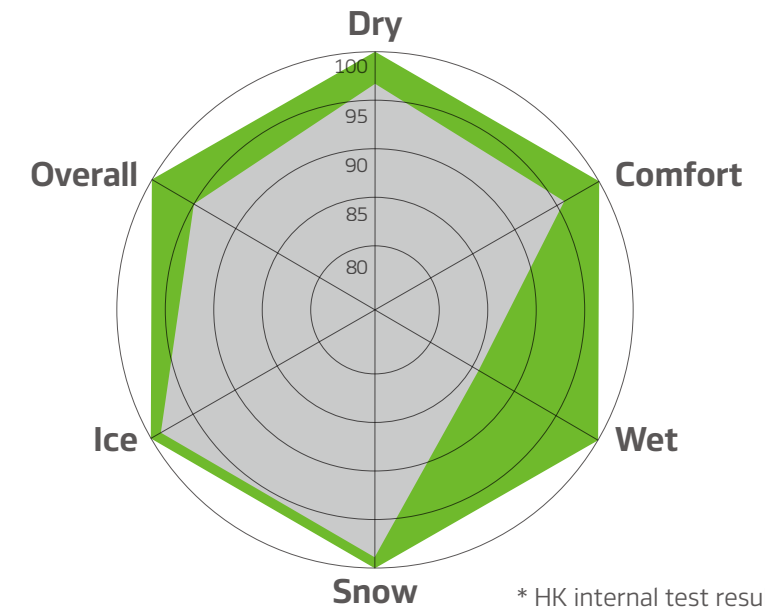

OFFICIAL TIRE OF MAJOR LEAGUE BASEBALL

KINERGY 4S²

Just one, whatever the weather

Key performance

- GY's All-Weather Product
- **KINERGY 4S²**

* HK internal test result for NA market

Sizes and specifications

Kinergy 4S² H750

KINERGY 4s²

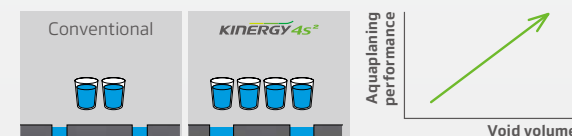

Long-lasting driving with well-balanced performance throughout the year.

Design features and technology

A Wide lateral grooves (water escape accelerator)

Improved drainage performance with wide and high angled grooves.

B Two-step aqua slant

Drain effectively while retaining the stiffness of the block.

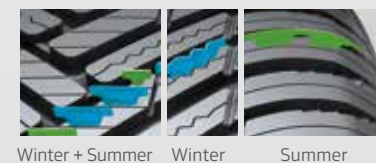

C Concave tie-bar

Improve block stiffness by 4% and provide better handling performance.

D High-density summer sipes

Enhanced block stiffness provides better driving performance on dry roads.

E 3D winter sipes

Serrated winter sipes at the end of the tread provides improved braking performance in winter driving.

F Unique V-shaped tread design

Well-connected grooves and 2-in-1 blocks enhance biting edge and digging force.

G Serrated edge groove

Serrated edge design at the end of the tread block maximises the edge effects and enhances winter driving performance.

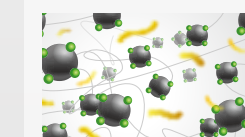

H The slush edge

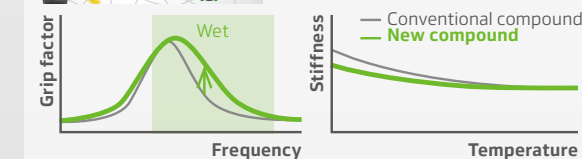

The edge design, located on the groove enhances cornering performance in snow.

Aqua pine compound

The new generation silica compound, 'Aqua pine' is based on natural ingredients and Kontrol technology.

High loading silica and novel traction enhancing additives provides a high grip factor over a wide frequency range that ensures better grip.

Maintaining rubber matrix ensures flexibility for a long temperature range.

Better grip on wet and snowy roads
Maximising wet and snow grip by using natural ingredients.
