(388.1 x 148.4 x 34.1)

1. Open hood.
2. Remove screw on filter housing cover on passenger side of cowl.
3. Remove filter housing cover by pulling cover toward front of vehicle.

4. Loosen filter from housing by pushing up on filter and pulling out toward front of vehicle.
5. Replace filter and reassemble. (Make sure to line up grooves on either side of filter housing cover to notches in filter housing.)

**Notice:** The information provided is based on the latest authoritative information available at press time. However, due to manufacturers' changes, and year and model variations, Hastings Premium Filters cannot be responsible for misapplications and instruction errors.
