The mission of Hope for the Warriors® is to enhance the quality of life for post-9/11 service members, their families, and families of the fallen who have sustained physical and psychological wounds in the line of duty. Hope For The Warriors® is dedicated to restoring a sense of self, restoring the family unit, and restoring hope for our service members and our military families.

As an American company, Hi-Lift® Jack Company wants to provide support for those service members that have served and made tremendous sacrifices for the freedoms we enjoy on a daily basis. Hi-Lift® Jack Company will donate a portion of its proceeds for every Hi-Lift® Patriot Jack sold to Hope for the Warriors®.
