Holley is pleased to introduce a finish expansion to our popular Vintage Series finned air cleaner lineup. These are the perfect complement for our Vintage Series finned valve covers and accessory products currently available for Small Block Chevy and LS engine applications. Previously offered in Natural Cast, Satin Black Machined, and Polished – the full lineup of Vintage Series valve covers, air cleaners, and valley covers are now available in our increasingly popular Factory Orange finish with precision machined fins and retro script Holley logo.

These 14" round air cleaners are manufactured from die-cast aluminum with a stamped 1" drop base and are available with your choice of 3" or 4" filter heights with either a paper (white, non-reusable) or premium cotton gauze (pre-oiled, red, washable and reusable) filter element. All necessary hardware is included for installation on Holley 4150 and 4160 carburetors with a 5.125" diameter neck.

Features/Benefits:

- 14" diameter, die cast aluminum air cleaner lid
- Available in both 3" and 4" filter heights, and with either a paper (white) or premium cotton gauze (red) filter element
- Designed to fit Holley 4150 & 4160 carburetors with 5.125" diameter neck
- Includes black SureFlo style drop base with knock out provisions for fresh air adapter (also included)
- Includes carburetor gasket and all mounting hardware necessary for installation
- Available in natural cast, satin black machined, polished, and factory orange machined finishes
