

# #40930

## Endurance replacement 7 blade connector Instructions:

1. This part will work only on vehicles that have a factory 7-way connector.
2. Remove plug from the back of the factory 7-way connector by pushing in on locking tabs.
3. Remove damaged 7-way connector
4. Mount the Hopkins® replacement 7-way connector by twisting into the OEM bracket.
5. Apply a small amount of grease to all electrical connections to help prevent corrosion.
6. Plug the Hopkins® replacement 7 blade connector into the mating vehicle plug. Be sure the connectors are fully inserted with locking tabs in place.

Test all functions with engine running to ensure proper operation.
