

#40940

Endurance replacement 7 blade connector Instructions:

1. This part will work only on vehicles that have a factory 7-way connector.
2. Remove plug from the back of the factory 7-way connector by pushing in on locking tabs.
3. Either mount the Hopkins® replacement 7 blade connector to the existing vehicle mounting bracket or use a Hopkins® bracket (Part 48615, not included).
4. Apply a small amount of grease to all electrical connections to help prevent corrosion.
5. Plug the Hopkins® replacement 7 blade connector into the mating vehicle plug. Be sure the connectors are fully inserted with locking tabs in place.

Test all functions with engine running to ensure proper operation.
