

Assembly, Installation, Operation and Maintenance Instructions

P/N: 30686

HUSKY
TOWING PRODUCTS

10 BOLT BASE RAIL KIT

Dealer / Installer: Provide a copy of these Instructions to the end user of this product. These Instructions provide important operating and safety information for proper usage of this product. Demonstrate the proper use of the product with the end user. Have the end user demonstrate that they understand the proper use of the product.

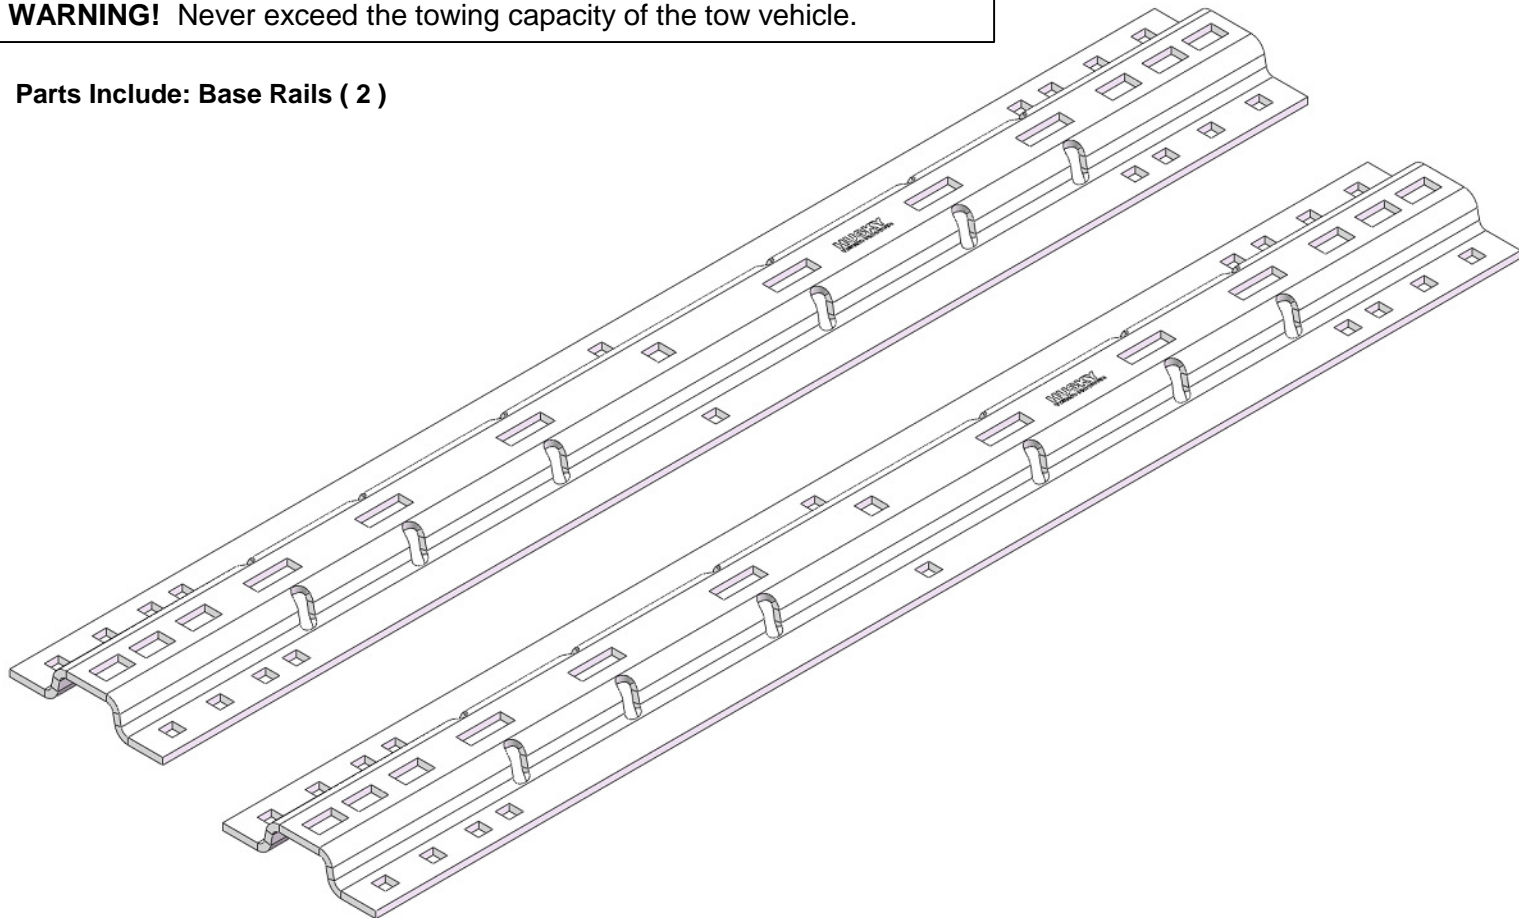

End User: Read and follow all instructions included in this manual. Ask your Dealer / Installer for assistance if you do not understand the proper use of the product. Never remove any decals from the product.

CAUTION: Do not install base rails over plastic bed liners. Plastic bed liners must be cut out of the way. Rails may be installed on spray in liners. Consult spray liner installer for recommended curing time.

Center Bolt Kit 32059 (sold separately) must be used when towing with a 26K hitch, Goose Neck, or Maneuvering System.

WARNING! Never exceed the towing capacity of the tow vehicle.

Parts Include: Base Rails (2)

**Requires the use of a Husky Custom Bracket kit for a complete bed rail installation.
See catalog listing for applications by vehicle.**
