

PART #09261--FORD F150 SUPER CAB WITHOUT FACTORY SUBWOOFER UNDER REAR PASSENGER SIDE SEAT--INSTALLATION INSTRUCTIONS

Congratulations on your purchase of the Husky Gear Box. The Gear Box is designed to fit under the rear seat of your truck or SUV. The Gear Box gives you a place to store loose items and clutter and ultimately help keep your vehicle organized. It's designed to fit your vehicle with or without your Husky Liners in place and only takes a few minutes to install.

PACKAGE CONTENTS

Gear Box – Part No: 09261 (1)
Safety Strap with Strap Lock (1)
Installation Instructions (1)

INSTRUCTIONS

- 1) Open and remove the Gear Box from the shipping box and protective plastic bag.
- 2) Lift and secure the rear seat bottoms in their upright position as shown in Figure 1 below.
- 3) Position Gear Box in vehicle as demonstrated below in Figure 2. Note that Gear Box will not fit in vehicles equipped with the factory Sony stereo system which includes a subwoofer under the rear passenger's seat.
