

HUSKY **WeatherBEATER™** **Custom Vehicle Floor Protection**

CARE AND USE INSTRUCTIONS

Thank you for selecting a WeatherBeater™ Trunk Liner from Winfield Consumer Products. Your new cargo liner is custom molded to fit your Nissan Pathfinder. Upon removal from the box your liner will not completely unroll and lay flat. This is normal and only temporary. Just place the liner on the floor or in the trunk of your vehicle with a weight in each corner (a book works well). After about 15 minutes, your liner will remain flat. In colder climates this “relaxing” may take longer; moving the liner to a heated area will accelerate the process.

Your liner is manufactured using an engineering resin that is lightweight and extremely tough and durable. The easiest way to clean your liner is with a damp cloth or sponge. If using a cleaner, 409® or Glass Plus® work well. Use of Armor All®, Son-of-a-Gun® or similar items is discouraged as these products make the liner slick.

CARGO LINER INSTALLATION INSTRUCTIONS FOR YOUR NISSAN PATHFINDER

YOUR PATHFINDER CARGO LINER IS DESIGNED TO FIT TO THE BACK OF THE 2ND ROW SEATS OVER THE FOLDED FLAT 3RD ROW SEATS. BEFORE INSTALLATION PLEASE MAKE SURE YOUR 2ND ROW SEAT BACKS ARE IN THEIR MOST UPRIGHT POSITION. THE SEATS CAN BE REPOSITIONS ONCE LINER IS INSTALLED. THE FACTORY CARGO HOOKS CAN BE ACCESSED BY TRIMMING AWAY THE MATERIAL ABOVE THE HOOK LOCATIONS. THESE FOUR (4) AREAS ARE LOWERED ON THE LINER (SHOWN ON THE IMAGE ABOVE DARKENED). A UTILITY KNIFE WORKS WELL FOR TRIMMING.
