## CARE AND USE INSTRUCTIONS

---

Thank you for selecting a WeatherBeater® [Floor Liner](#) from Winfield Consumer Products. Your new 3<sup>rd</sup> seat floor liner is custom molded to fit your Toyota Highlander. The liner is made to take the place of your factory floor mats. **For correct fit, it is necessary to remove the factory floor mat before installing your new floor liners.** However, do not remove the factory-installed carpeting.

Your liner is made from an engineering resin that is lightweight and extremely tough and durable. The easiest way to clean your liner is with a damp cloth or sponge. If using a cleaner, 409® or Glass Plus® work well. Use of Armor All®, Son-of-a-Gun® or similar items is discouraged as these products make the liners slick.

## INSTALLATION INSTRUCTIONS FOR YOUR TOYOTA HIGHLANDER THIRD SEAT FLOOR LINER
