

**THANK YOU FOR SELECTING A HUSKY FLOOR LINER
FROM WINFIELD CONSUMER PRODUCTS**

CARE AND USE INSTRUCTIONS

Your new liner is custom molded to fit your vehicle. Upon removal from the box your liner will not completely unroll and lay flat. This is normal and only temporary. Just place the liner on the floor or in the back of your vehicle with a weight in each corner (a book works well). After about 15 minutes, your liner will remain flat. In colder climates this “relaxing” may take longer; moving the liner inside will speed up the process.

Your liner is manufactured using an engineering resin that is lightweight and extremely tough and durable. The easiest way to clean your liner is with a damp cloth or sponge. If using a cleaner, 409[®] or Glass Plus[®] work well. Use of Armor All[®], Son-of-a-Gun[®] or similar items is discouraged as these products make the liner slick.

**INSTALLATION INSTRUCTIONS FOR YOUR HONDA CR-V
CARGO LINER**

YOUR HUSKY LINER IS DESIGNED TO ALLOW YOU TO ACCESS TO THE FACTORY CARGO TIE-DOWN HOOKS WITH YOUR LINER IN PLACE. TO GAIN ACCESS, SIMPLY LOCATE THE TWO RAISED AREAS LOCATED ALONG THE REAR WALL OF THE LINER (THIS WALL MATCHES UP TO THE BACK OF THE SECOND ROW OF SEATS). THEN, TRIM AWAY THE MATERIAL FROM THE TWO LOWERED AREAS ON THE TOP OF THESE RAISED AREAS (SEE PHOTOS ON BACK OF PAGE). A UTILITY KNIFE WORKS WELL FOR TRIMMING.
